## ANOTHER BRICK FOR EAST 4TH STREET

S. H. Finley to Build One Story  
East of Allerton  
Hotel

BUILDING STARTS  
IN DAY OR TWO

Structure Leased for Five-Year  
Term to Dry Goods  
Man

A one-story brick building is to be erected by S. H. Finley on his property directly adjoining the new Chandler block on East Fourth street. The new block will be between the Allerton Hotel, owned by Finley, and the Chandler building, the west wall of which is a party wall and will be used as the east wall of the proposed new one-story.

Excavation began yesterday. As soon as a small lunch counter now on the property is moved off building will begin, possibly tomorrow. The building is to be 18 by 60 feet. A five-year lease has been signed by S. B. Brown, whose dry goods and novelty business is at present located on Sycamore street. The new building, which will be strictly up-to-date in every detail, is expected to be ready for occupancy about June 1.

CHICKEN DINNER

## ADDING SCHOOL FACILITIES TO MEET ADDED ATTENDANCE

Orange County Educational Districts  
Keep Pace With Increased Population

No more striking indication of the rapid growth of population in Orange county is offered than by the number of contemplated new schools. In almost every locality provisions are being made, or have been made in the last few years, for increased educational facilities. And the structures are, without exception, all substantial and handsome in appearance, in accordance with the community population. Attractiveness of design is taken into consideration as well as practicality.

In Anaheim, Orange, Westminster, La Brea, El Toro, Delhi and Bay City, the school districts have issued, or are contemplating holding elections to issue, bonds.

The \$15,000 school bond issue carried recently at Anaheim. This issue will provide for a four-room addition to the primary school building.

At Orange the \$50,000 bonds voted for the new school building have been sold for some time past but have not yet been approved by the bond attorneys. However, it is expected that they will be favorably passed upon in a day or so. If such is the case, work will immediately begin according to the splendid design prepared by Architect Walker of this city.

At Bay City the bonds have also not

yet been approved but are expected to be shortly. Architect Tuttle of Los Angeles received the commission as architect for this school.

Elections to vote on bond issues in various towns in the county are to be held shortly. Westminster's school district will hold an election on April 25, to decide whether \$15,000 bonds shall be issued.

Loara will also hold an election on April 25 to vote on the proposition as to whether \$5000 shall be issued for the purpose of remodeling the present school building.

Delhi district will hold an election shortly to vote on a \$12,000 school bonds proposition.

It was unofficially reported at the county school superintendent's office that the La Habra school district will call a bond election in the near future. A new school building is badly needed in this district and there is no doubt but that the bond election will carry.

Elving and Tedford of this city are preparing plans for the new \$8000 grade school to be built at El Toro. This building will follow the Italian style of design. This firm is also at work upon the plans for the new Tuscan school, to cost \$40,000. A design in the Lombardic style of architecture is being used from which to draw the working plans.

## THREE STORY BRICK FOR BUENA PARK

Stanton Optimist: Ground has been broken and construction work begun on a three-story brick business building which I. D. Jayne of Buena Park is having erected at that place. Mr. Jayne is also having several modern bungalows constructed for rental purposes. Owing to the sudden increase in population at Buena Park, since the development of oil at that place, it is almost impossible for new arrivals to secure lodging accommodations. A modern apartment house will be built shortly and several business buildings. A number of new business enterprises have opened at the Park recently, and there is activity in every line.

The American Petroleum Co., operating on the C. L. McComber ranch, struck a good showing of oil at a depth of 1500 feet. The operators have been greatly encouraged from this development. Should the well strike oil in commercial quantities it will prove up quite a large section.

## MORE ROOM NEEDED BY CLEANING PLANT

A wonderful increase in business and a resultant need of larger space and facilities has caused the Sutorium to make provision for the removal of its dry cleaning department. Work started this morning on a brick building at the corner of Wellington and D streets. This structure will house, when completed, the cleaning apparatus of the firm. The down town office and finishing rooms will remain at the old location, 403 E. Fourth St. The new building on Wellington avenue will be 42 by 16 feet in size and is being erected by Contractor N. L. Galbraith.

I have an order from the East to buy up 1000 second-hand watch movements in fair condition. What have you? Mel Smith, Watchmaker, 304 Main street.

## BUSINESS BLOCK SOON TO BE BUILT

Anaheim Gazette: One of the improvements which rumor states will shortly be added to the building operations on East Center street is a substantial business block on the corner of Center and South Philadelphia streets, directly opposite the Masonic Temple.

This property is owned by R. C. Spaerl and it was reported that Mr. Spaerl intended to begin the immediate erection of a two-story brick or cement business block on the grounds. Mr. Spaerl, however, states that the report is premature. Negotiations have been in progress with regard to the erection of such a structure, but at present there appears to be a hitch in the proceedings which will delay action indefinitely. The present plans may be abandoned altogether and new ones formed before work is begun on that corner. That a building will shortly be built there is acknowledged as the location is too valuable to be allowed to lie idle. It is one of the best business locations in the city and would never be vacant for lack of tenants.

Mr. Spaerl has faith in the development of East Center street, and thinks that business will continue to push toward the Santa Fe railroad. The width of the street and the fact that it is the pathway to the depot gives it an advantage in a business way.

## WORK BEGUN TODAY ON NEW BUILDING FOR WEST FOURTH ST.

Work was begun today of tearing away the old frame shed adjoining the Fowler implement store, just east of the corner of Fourth and Birch streets, where a new two-story and basement building is to be erected by the West End Improvement Company. The size of the building will be 40x100 feet.

Grouard & Young have the contract for the excavating, foundation and cement floor and they will begin making the dirt fly Monday morning.

## BUILDING PERMITS ISSUED THIS WEEK

To J. P. Stevens, repairs at 1021 Logan street; \$500.  
To F. E. Graves—Two-room dwelling at 1129 Logan street; \$125.

## ORANGE CHURCH READY IN MAY

German Lutheran Church to Be  
One of Most Imposing  
in County

TO HAVE SEATING  
CAPACITY OF 1000

Splendid Structure Will Cost  
About \$45,000 When  
Completed

One of the most striking and handsome religious structures in the county will be the St. John's German Lutheran church on the corner of Center and Almond streets, Orange. Work on this imposing building was begun about the middle of last July, by the contractors, Looscher, Duker and Miller. Throughout, the work has been supervised by Frederick H. Eley, who designed the church.

Architecturally the edifice follows the early decorated style of Gothic design. The building is of brick veneer, with a blue brick and stone trim. The church has one of the largest auditoriums in Orange county, having a seating capacity of 1000. The gallery seats about 300.

The interior is well lighted and impressive, made so by a high vaulted ceiling. In size the church is 110 feet long by 72 feet wide and given over almost entirely to the auditorium, there being but two extra rooms, the pastor's study and ladies' rest room.

The auditorium, which is reached through a large vestibule, is 750 feet long. In its two widths it is 55 feet across the nave and 70 feet across the transept.

The contractors expect to have the church ready for occupancy in about six weeks. It will cost, including the organ and other fixtures, \$45,000.

## LAST OF CONCRETE POURED FOR PIER

Huntington Beach News: The last of the concrete used in the completion of the floor of the finest concrete pier on the coast of the old Pacific was poured Wednesday, and according to Richard H. Hammer, who has had charge of the work since the seventh day of last August, the grand new pier will be ready for dedication in about two weeks.

The work in the rest rooms is now being completed, vitrolite being used for wainscoting. This product is from Wheeling, West Virginia, and is made from silica, being similar to glass except it is opaque and is absolutely stainless, and is not easily scratched.

Mr. Hammer is a small, energetic man, who works with the throttle wide open all the time, and almost lives in the realm of the science of concrete construction.

## GARDEN GROVE GOES RAPIDLY AHEAD

GARDEN GROVE, April 17.—New houses which are being erected are going to be substantial improvements to this growing little town and a number of people are looking this way for homes. Some who have lived here are coming back as soon as they can dispose of their properties which they have purchased elsewhere, for they can see where they made a mistake in leaving here.

## COUNTRY CLUB PLANS SENT OUT FOR BIDS TODAY

Plans for the Orange County Country Club building on Newport Bay have been completed by Architect J. Flood Walker and were sent out for bids this morning.

## BANK BUILDING PROJECT IS DEFERRED

Farmers & Merchants' National  
Directors Give Notice of  
Decision

On account of inability to make satisfactory arrangements for securing a deed to the property adjoining, the directors of the Farmers and Merchants' National Bank have decided to postpone further action toward starting the building of its contemplated five-story steel building.

The bank has a lease upon the lot and building adjoining it on the west. In order to enlarge the banking quarters, arches will be cut in the wall between the present banking room and the room on the west, and the additional room will be occupied soon, giving the bank that much increased room.

The directors have made the following statement to the stockholders of the bank:

"In the exercise of their best judgment the directors have decided to postpone the erection of the bank and office building, for which plans have been nearly completed and believing that the stockholders should immediately be notified of this decision and the reasons therefor, the following explanation is submitted.

"The bank owns the lot now occupied by the bank building and holds the adjoining lot on a ten years lease with an option to buy at the expiration of the lease, which now has seven years to run.

"The directors have offered to pay for a deed at once \$35,000 in cash, the amount of the purchase price stated in the option, but that offer has been declined by the owners and no other arrangement which is satisfactory to all concerned has been effected.

"In view of these conditions your directors believe the wisdom of the situation is that the building project be deferred for the present.

"Trusting that the stockholders will concur in this decision, we are,  
Respectfully yours,  
"W. A. HUFF,  
"C. E. MANSUR,  
"J. A. TURNER,  
"D. HALLADAY,  
"J. D. PARSONS,  
"R. E. LARTER,  
"SHERMAN STEVENS,  
"ROBERT M. SIMON,  
"CHAS. A. RIGGS."

## NEWS LETTER FROM TALBERT

TALBERT, April 18.—Moving houses seems to be the order of the day this week. The Patterson Bros. have been busy for the past week making changes in shops and houses here. They have just finished moving a shop for J. E. Brewer from Main street, and have placed it in the rear of his blacksmith shop so that the shop is now enlarged to double the former size. Mr. Brewer is putting things in shape for running a machine and wood shop in connection with his blacksmith work.

John Hooper is moving this week out to his ranch three miles east of Talbert.

The local grammar school will give a box social at the Japanese Hall Wednesday evening, April 29. The public is invited.

Carl Lamb and wife, with Floyd Jones went to Purbuila Canyon last Sunday.

Mrs. M. A. Nimmo went to Los Angeles Tuesday on business.

The grammar school will have a school festival at Huntington Beach on May 1.

Anson Hemei of Pomona spent last week with Earl Lamb and family.

Frank Cox of Los Angeles spent Saturday night and Sunday with his father, J. E. Cox.

W. R. Draugh and wife, of Los Angeles, with Mrs. B. E. Kennedy and son Russell, were visitors at the parsonage Sunday.

S. E. Talbert motored to Los Angeles Tuesday on business.

Fred Carter and wife spent Sunday and Monday visiting his Uncle, S. E. Talbert.

Wiley Ambrose of Oceanside spent a few days with his sister, Mrs. C. R. Ward, last week.

Arnold Walker and wife visited their brother-in-law, Chas. Crisnet last Sunday at Old Newport.

Robert Harper spent last Sunday visiting in Long Beach.

Rev. R. R. Raymond of Santa Ana will occupy the pulpit at the local Methodist church next Sunday morning at 11 o'clock, and will preach at Bolsa at 3 in the afternoon.

Mrs. J. J. Townsley has been spending the week end visiting relatives in Long Beach and Westminster.

S. E. Talbert with Rev. A. B. Waldrop and family motored to Laguna Beach Wednesday and when they were ready to return home the hind axle broke and they had to change machines to make the trip.

Will Ater and wife, of Chicago, are visiting his brother, W. O. Ater.

## USE ALLEN'S FOOT-EASE

The antiseptic powder to be shaken into the shoes. If you want rest and comfort for tired, aching, swollen feet, use Allen's Foot-Ease. ## NEW STAGE PUT ON TO LAGUNA BEACH

Roy W. Peacock of the Laguna Beach Garage has put on a new touring car for the stage service between Laguna Beach and Santa Ana. Stage will leave the White Cross Drug Store, Santa Ana, daily at 4:15 p. m. The stage will leave Laguna at 8 a. m. daily, arriving here about 10 a. m. Peacock's aim will be to give the people excellent service. The first run of the new stage was made yesterday.

## WANTED \$200 TO GIVE CHILDHOOD EXHIBIT

H. F. Maxfield, representing the Childhood Kingdom exhibit, was in Santa Ana yesterday making an attempt to secure arrangements for presenting an exhibit here. He asked the Chamber of Commerce for a donation of not less than \$200, but got no encouragement. The plan of operation is to take pictures of baby life, and these are to be run during the fair at San Diego.

## SOMEBODY HAS TAKEN THE PARSON'S FIDDLE

Rev. Paul E. Wright, pastor of the First Christian Church, has lost an old friend. It is his fiddle. The instrument was left at the church Wednesday night, and when Rev. Wright went for it today it was gone. The violin is a Curotoli and is worth \$100.

## IN STERLING LIVES A GIRL

Who Suffered As Many Girls Do—Tells How She Found Relief.

Sterling, Conn.—"I am a girl of 22 years and I used to faint away every month and was very weak. I was also bothered a lot with female weakness. I read your little book 'Wisdom for Women,' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound, and decided to try it, and it has made me feel like a new girl and I am now relieved of all these troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Miss BERTHA A. PELOQUIN, Box 116, Sterling, Conn.

Massena, N. Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me I will gladly tell her about my case. I was certainly in a bad condition as my blood was all turning to water. I had pimples on my face and a bad color, and for five years I had been troubled with suppression. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss LAVISA MYRES, Box 74, Massena, N. Y.

Young Girls, Heed This Advice.  
Girls who are troubled with painful irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

## News and Comment

## Tustin Budget

## Edited by Miss Florence Stone

**A Fishing Party**  
Mr. and Mrs. John Poh and Mr. and Mrs. P. A. Trickey composed a party going to San Juan-by-the-Sea Wednesday on a fishing trip. A campfire was made on the beach, and a regular campers' lunch was prepared. Stories around the campfire whiled away the hours until the moon rose.

**Entertained Friends**  
Mr. and Mrs. Albert Fuller entertained the following friends last Sunday: Mr. and Mrs. Fred Best and little daughter Eva, from Redlands; Mrs. Minnie Aldridge and daughter Erma from San Bernardino. The party attended church together, were entertained at dinner by Mrs. Fuller and afterward motored to the beach.

**Tustin "Y's"**  
The regular monthly meeting of the Tustin Y. P. B., was held with Miss Edith Higgins last Friday night. There were about forty young people present.

After the business of the meeting was attended to, there was a short program of readings and several piano pieces by Miss Margaret Tingley and Miss Edith Higgins.

One of the interesting features of the evening was the presentation of a set of silver spoons to the newlyweds. Three young couples among their members, who have recently married, were favored with a gift of spoons. They were Mr. and Mrs. Henry Ebel, Mr. and Mrs. Chas. Freeman and Mr. and Mrs. Geo. Prather. The hosts served delicious candy, and the evening was especially enjoyed by all the young people.

**Day in the Park**  
An automobile party composed of Messrs. and Mesdames J. L. Ellis, A. L. P. A., and R. T. Trickey and their families, with Mr. and Mrs. Thomas Jessup of Garden Grove.

spent a delightful day in Orange County Park on Monday, coming home by way of Peters Canyon.

**Coreopsis Club**  
The Coreopsis Club was entertained Wednesday afternoon by Mrs. H. K. Reid, Chestnut avenue, Santa Ana. The house was made attractive with beautiful roses.

The purpose of this club is the interchange of ideas about embroidery and fancy work and at the same time affording an opportunity for busy housekeepers to meet friends in social intercourse.

The hostess served delicious strawberry ice cream and cake. The members present were Mesdames R. C. Lambert, Ed. Smith, Ray Rummels, Lark Wilson, John King, Ida King, John Hawes, T. McDonald, E. L. Mount, and Mrs. Hart and Miss Jennie McDonald.

## TUSTIN PERSONALS

Mr. and Mrs. W. L. Shatto, Mrs. J. M. Watson and Mrs. J. H. Davis have gone to Lordsburg.

Rev. and Mrs. R. B. Shannon, Mrs. Maud Shepherd, Mr. and Mrs. Wm. Bowman, and Mrs. Sarah Brown are in Lordsburg attending the Southern California Conference of the Advent Christian Church.

Rev. E. W. Blew has just returned from Los Angeles, where he attended the meeting of the Presbytery, Tuesday, Wednesday and Thursday.

Mr. and Mrs. Gus Eggert of Los Angeles spent several days with Mr. and Mrs. Tom Cook this week.

C. M. Halderman is building a new house on Irvine Boulevard near Newport Road.

Miss Clara Macomber has returned to Ocean Park after a week's vacation at home.

Miss Minnie C. Childs, Mrs. W. L.

Leiby and Mrs. D. L. McCharles attended the County Federation of Clubs, which met at Placentia on Thursday. They were sent as delegates to the Federation from their own section of Ebell Club.

Mr. and Mrs. J. A. Thomas entertained at dinner last Sunday Mr. and Mrs. Ray C. Lambert, Mr. and Mrs. J. D. House and Mrs. E. Hart at their home on Prospect avenue.

Mr. and Mrs. E. J. Cranston, Mr. and Mrs. W. L. Leiby, Mr. and Mrs. C. E. Utt and Mr. and Mrs. John Dunstan were those who attended the Orange County Bankers' Association banquet and reception at Elks Hall Wednesday night from Tustin.

A party composed of Miss Inez Phinney, Mrs. B. H. Sharpless, Mrs. Chas. Willard and Mrs. C. A. Nordstrom spent a delightful day at Laguna Beach on Wednesday.

Mr. and Mrs. John Holt spent the day last Friday in Los Angeles.

Miss Gertrude Utt spent a few days vacation at home last week.

Clifford Tussdale has returned to Los Angeles after a visit of several days at the home of Mr. and Mrs. C. E. Utt.

Claude Martin was called to San Diego Wednesday by the death of a relative.

Messrs. John Holt, Louis Sheats, Geo. Prather, Sr., and John Crawford composed a party going to Covina on Monday. These gentlemen assisted in installing officers of the Covina Canton of Odd Fellows Monday night.

Mr. and Mrs. Chas. Willard and family spent Easter Sunday with friends and relatives in Los Angeles.

Mrs. Elmer Crawford of Santa Ana, who is recovering from a serious illness is now with her father and mother, Mr. and Mrs. Jasper Leek. Mrs. Crawford is improving rapidly and hopes to be able to return home shortly.

"The Life Everlasting." This closes the series of Sunday evening addresses. This is the end of the Christian's creed because it is the end of the Christian's life. Mrs. W. E. Garrett will sing "The Home Land." The choir will render, "The Sun Shall Be No More Thy Light" (Woodward). If not attending elsewhere you are invited.

**Spurgeon Memorial Methodist Church**  
Sunday school, 9:45 a. m.; preaching at 11 a. m. and 7:30 p. m. by the pastor. Morning topic: "Friendship With the World." Evening subject: "Bible Christians."

**Ephworth League services** at 6:30 p. m. The congregation will join the other churches of the city in a union service at 3 p. m. in the First Baptist church, where Dr. William Spurgeon of London will speak on "The Welch Revival."

**Morning Music**  
Prelude; anthem, "My Hope Is in the Everlasting" (Perley)—Mrs. Albright and choir; anthem, "The Home of Light" (Macy)—Dunn, Aldrich; postlude.

**Evening Music**  
Prelude; anthem, "Sun of My Soul" (Sumner Salter)—Mr. and Mrs. Albright and choir; baritone solo and chorus, "City of Love" (Havens)—Mr. Albright and choir; postlude.

**Reformed Presbyterian Church**  
Corner Spurgeon and First streets. G. N. Greer, pastor.

Dr. James S. McGaw, national field secretary of the National Reform Association will preach in this church at 11 a. m. and 7:30 p. m. The morning subject will be suitable to the sacramental occasion, and in the evening of an evangelistic nature. Dr. McGaw will preach Monday evening at 7:30 in this same place. The public is cordially invited to hear this gifted orator.

**United Brethren Church**  
Corner Shelton and West Third streets. N. J. Crawford, pastor.  
Sunday school, 9:45 a. m.; preaching, 11 a. m. and 7:30 p. m.; praise service, 2:30; Christian Endeavor, 6:30. A cordial invitation to the public.

**Unitarian Church**  
Corner Eighth and Bush streets. Rev. Francis Watry, minister.  
Sunday school at 9:45 a. m.; morning service at 11. Sermon topic: "The Message of Emerson the Preacher." No evening service.

## THE PHOTO DRAMA OF CREATION

The fourth and last section of the Photo Drama of Creation is now being presented at the College of Music daily at 3 and 8 p. m. and will not be repeated after Wednesday night.

By many it is regarded as the climax, the one which appeals most to the thoughtful student of civil and ecclesiastical history.

The wonderful progress of the last century is noted and reason's for same given. These are pointed out as mere fore-glimpses of the achievements of the near future. The vivid portrayal of thrilling scenes of the early church and present-day conditions in moving picture films impress all with the need of the missionary spirit.

It is estimated that by the close of the presentation of the Photo Drama more than 10,000 will have seen it in Santa Ana. It is free to all.—Advertisement.

**CHICKEN DINNER**  
At Hotel Rochester, Orange, tomorrow (Sunday), 12 to 1:30. 50 cents.

CONSULTATION.  
Office Hours 10 a. m. to 3 p. m.

## The Best Is the Cheapest North Whittier Heights

Orange, Lemon, Grapefruit, Walnut  
and Avocado Land Subdivision

Is Being Sold More Rapidly Than Any Citrus Subdivision  
on the Market in All California

Orchardists and nurserymen are investing in this high-class subdivision because it has the soil, water and climatic conditions necessary for the greatest commercial success and in addition to which it is without a peer in all California as a desirable location for a suburban home.

If you are in the market for an investment in a choice orchard property, you owe it to yourself to see North Whittier Heights before investing elsewhere.

The property is being sold in unplanted tracts of 5 to 50 acres or in 5, 10, 15 and 20 acre tracts set to orange, lemon, grape fruit or walnut trees and on easy terms if desired.

We will also contract to care for groves for non-resident purchasers if they wish to have us do so. We shall be pleased to have you call, phone or write for full information concerning the property and descriptive folder containing map of Southern California, or, better still, to have you go out with us by auto to see the property and district. We know that if you once see the property, you will desire a portion for yourself.

### SAMPLE 'JOHNSON MACHINE'

At the regular weekly luncheon of the League for Home Rule in Taxation on Wednesday, April 15, at a Market street restaurant in San Francisco, Hon. J. J. Dwyer, president, Board of State Harbor Commissioners, spoke on "Harbor Improvements."

"There is more concrete in the harbor of San Francisco," he said, "than in all the other ports of the United States put together. The piers constructed for the use of the American-Hawaiian Company are the largest in the world. Any ship which will go through the Panama Canal will go into San Francisco piers without projecting beyond, whereas in New York many of the Atlantic liners project from 100 to 300 feet beyond the piers, and because of this have to be helped by fifteen or twenty tugs in getting under way. We are able to build such long piers because of the great natural advantages of our harbor. In the trip of the Cleveland around the world her captain said that there were only three ports where a ship could go into the pier under her own steam, one of these being San Francisco."

The harbor board of which Mr. Dwyer is president is a "Johnson machine" harbor board. It has connected the rails from Folsom to Washington streets, thus completing the harbor traction belt, and transports freight at \$2.50 per car, whereas the old S. P. price was \$11 per car, thus showing the advantage of public ownership and Progressive administration.

Mr. Dwyer predicted that the Esplanade will become so popular during the Exposition that it will be made a public park, and that eventually the harbor construction will extend to San Mateo.

### THE HIGH PLANK

Lay a plank on the ground, and a million people will walk it without thought of losing balance. Lift it twenty-five feet high, and only one in a thousand will dare to walk it. Lift it one hundred feet, and not more than one in a million will venture upon it. It illustrates the difference between littleness and bigness of purpose; and that difference is not in the plank, but in the people.

A big thing is generally done just as easily as a little one—if one only gets at it with proper force applied to the right place. The big automobiles run with less noise and seeming strain than the little ones. The giant locomotive seems to glide with greater ease than the dummy engine.

The main difference between the millionaire and the pauper is that the one frames his thoughts to the forms of millions and the other his to forms of pennies.

The main difference between the educated man and the ignorant one is that the one seizes upon the essential things and the other does not.

Some of the most highly educated men the world knows, or has ever known, have had the least learning. Some of the world's most learned men have been the most ignorant.

What do you know that counts? There is the measure of your education. What do you know and do to make yourself better and braver and brighter? There is the measure of your real culture, power and opportunity.

It is really no harder to walk the high plank than the low one, except for fear. The many look down and fall, through dizziness. The few look straight ahead, confident of success.

But remember this. However high your plank may be, make sure that you are walking it to something worth while.

For many of the things that most of us deem big are really very small; and many of the things that most of us deem little are very big.

Men have controlled kingdoms who did not regulate their own homes. Men have won fortunes while wasting their lives.

### TOO EFFICIENT FOR SOME

There was a time when a berth in the state printing office was considered a snap with very little labor attached, but State Printer Richardson has changed the order of things. He now requires all to perform an honest day's labor with the result that complaints from the disgruntled were made to the Civil Service Commission, but the state printer was sustained by the commission.—Oroville Mercury.

**STAY OF EXECUTION URGED**  
WASHINGTON, April 18.—Attorney E. N. Soline of Chicago, acting on behalf of the convicted structural ironworkers, made an appeal to the president yesterday for a stay of execution in behalf of the men convicted.

### Too Late to Classify

## ORANGE JUICE—AN OPPORTUNITY

By Reginal Brinsmead, Register Staff Writer

In 1913 France produced over one billion gallons of wine, and over eighty million gallons of apple cider, the major part for home consumption, and the whole containing alcohol, subject to heavy excise duty in every civilized country on the face of the globe, thus increasing its cost to the ultimate consumer.

If the entire California orange crop was used for the manufacture of unfermented orange juice the production of juice would amount to less than five per cent of the French wine output, less than four per cent of the French cider made last year; while from all the low-grade or "standard" and cull oranges could be made only one-half to one per cent of France's wine crop; and upon this juice no excise duty would be exacted. With double the population of France in the United States alone, and with the world at our doors, as soon as the Panama Canal is open, the possibilities of a pure unfermented orange juice indeed look promising.

Can unfermented orange juice be manufactured at a profit? Is it practical as a commercial enterprise? Experiments have shown that one

ton of California oranges will produce from 125 to 140 gallons of juice, equivalent to between four and five gallons to the packed box. The value of French cider is given as eight cents and of the wine as twenty-four cents per gallon, and the market value of orange juice should be at least as great as that of cider. Based upon the above figures, and allowing the extremely low valuation of French cider (eight cents per gallon) as the value of the orange juice, California oranges contain a total of 50 cents worth of the juice to every 100 pounds of fruit; and as the whole crop of oranges near Malaga, Spain, is in some seasons solely devoted to the production of dried orange peel for export and orange pulp for stock feed, it is at least reasonable to assume that the peel and pulp remaining from the manufacture of orange juice would take care of the cost of manufacture and the handling of the fruit.

Even at the low valuation of but eight cents per gallon, our oranges are worth \$10 per ton for the juice they contain, which is the approximate figure given by some of the largest citrus-by-product manufacturers.

## DRAMA ABROAD AND AT HOME

By Beau Rialto

NEW YORK, April 18.—Not only is New York to continue to have grand opera at "popular prices," but more of New York is to have it. The New Century Opera Company will close its present season tomorrow night instead of May 18, as originally planned, so that alterations may be made in the opera house, permitting a great seating capacity. Four extra rows are to be added to the second balcony where the 25 cent seats are located, and several rows will be added to the first balcony, with seats at from 50 cents to one dollar. The foyer circle will be entirely rebuilt doubling the capacity of the dollar section.

New boxes are to be built in, and the aggregate increase in the seating capacity of the house will be about 1000. Seating 3100 persons the Century will be one of the largest opera houses in the country.

The Century Company closed its season with an entire week of Victor Herbert's "Natoma." Next season a complete new set of English librettos is promised. Arrangements have been made for translations of Gounod's "Roméo and Juliet," Bizet's "Carmen," Ambrose Thomas's "Mignon," Donizetti's "Lucia di Lammermoor," and Motow's "Martha."

This is the open season for the migration of theatrical promoters. Few ships sailing from New York

during the past two weeks have failed to carry some American producer headed for Europe in search of new material to be offered American audiences next fall and winter. All of the London and Continental successes are being looked over and the American rights will be secured for the best of them.

Bids for the English rights of several New York hits have been received. No less than six are said to have been made for the rights to "A Pair of Sixes," which scored a big success at the Longacre. Others which probably will be produced in London next season are "Help Wanted," "Potash and Perlmutter," and "Too Many Cooks."

Just to show that all sentiment has not given place to dollars in the theater, those back of the plan of benefit performances in practically every theater in New York, Boston and Philadelphia yesterday for the Actors' Fund declared that the support given the movement even exceeded expectations. The chief difficulty was in keeping the bills at some theaters within the time limit, owing to the enthusiasm displayed by the stars of various productions who volunteered their services. The highest price at the special matinees was \$1.50, but some record-breaking admission fees were paid. A. L. Erlanger, father of the Actors' Fund Day, paid \$500 for a seat in the sixth row at the New Amsterdam Theater.

Some of the brightest lights now adding to the dazzle of Broadway do not spell out the name of some musical comedy star, but draw the crowds inside the theater, where not a word is spoken, not a single note sung, or a skirt lifted to reveal a shapely ankle. It's the "movies." And as a further indication of the advance of the "movies," the Shuberts are to operate a circuit of 1000 motion picture theaters throughout the country during the coming season. Their successful plays of the year before will be produced in picture form on this circuit, which will also be presented.

William A. Brady's first picture play is now nearing completion. It is "The Gentleman From Mississippi," with Thomas A. Wise in the role in which he became famous on the stage. The next picture play to be staged by Brady will probably be "The Whip." The Shuberts have already reproduced "America," the Hippodrome attraction during the past winter.

Incidentally the "movies" caught two policemen in a thrilling "rescue" recently which neither the officers nor the camera operator had counted on. Bernard Macplea, a professional high diver, was to jump 120 feet from the top of Highbridge into the Harlem River for a motion picture company. The operator was stationed in a boat in the river. Just as Macplea climbed over the rail to jump three policemen saw him.

One dashed toward Macplea intent upon preventing a suicide, and the two others hurried for a boat. The moving picture company had made arrangements to rescue Macplea if he needed aid, but when the police jumped into a boat and put full speed ahead no one interfered. The camera man focused on the policemen dragging Macplea from the water and then explained. Macplea was arrested, but sentence for having mused up the Harlem waters was suspended.

Flush out the accumulated waste and poisons of the winter months; cleans your stomach, liver and kidneys of all impurities. Take Dr. King's New Life Pills; nothing better for purifying the blood. Mild, non-grinding laxative. Cures constipation; makes you feel fine. Take no other. 25c, at your druggist. Bucklen's Arnica Salve for All Hurts.—Advertisement.

## RESERVE BANKS LOCATED

In establishing the new banking system the Reserve Bank Organization Committee has divided the United States into twelve banking districts and has selected twelve cities where Federal Reserve Banks are to be located. San Francisco was designated as the location for the Reserve Bank on the Pacific Slope and the district included is California, part of Arizona, Idaho, Nevada, Oregon, Utah and Washington. Of the twelve Reserve Banks, in the matter of capital, San Francisco ranks sixth. The list of cities designated, the capital, the number of banks in the district and the territory included, follows:

District No.	Located	No. Nat. Banks	Capital	Territory Included
1	Boston	446	\$9,931,740	New England States.
2	New York	478	20,687,616	State of New York.
3	Philadelphia	800	12,993,013	Delaware, New Jersey, Pennsylvania east of Western boundary of the counties of Bedford, Cambria, Clearfield, Elk and McKean.
4	Cleveland	724	11,621,535	State of Ohio, all Pennsylvania west of District No. 3, counties of Marshall, Ohio, Brooke and Hancock in West Va., and all Kentucky east of western boundary of the counties of Boone, Grant, Scott, Woodford, Jessamine, Garrard, Lincoln, Pulaski and McCreary.
5	Richmond	475	6,543,281	District of Columbia, Maryland, Virginia, North Carolina, South Carolina and all West Virginia except counties in District No. 4.
6	Atlanta	372	4,702,780	Alabama, Georgia, Florida, all Tennessee east of the western boundary of the following counties: Stewart, Houston, Wayne, Humphreys and Perry; all Mississippi south of the northern boundary of the following counties: Issaquena, Sharkey, Yazoo, Kemper, Madison, Leake and Neshoba; all the southeastern part of Louisiana east of the western boundary of the following counties: Pointe Coupee, Iberville, Assumption and Terrebonne.
7	Chicago	984	13,151,925	Iowa, all Wisconsin south of the northern boundary of the following counties: Vernon, Sauk, Columbia, Dodge, Washington and Osaukee; all of the southern peninsula of Michigan, viz: All that part east of Lake Michigan; all Illinois north of a line forming the southern boundary of the following counties: Hancock, Schuyler, Cass, Sangamon, Christian, Shelby, Cumberland and Clark; All Indiana north of a line forming the southern boundary of the following counties: Vigo, Clay, Owen, Monroe, Brown, Bartholomew, Jennings, Ripley and Ohio.
8	St. Louis	434	6,219,323	Arkansas, all Missouri east of the western boundary of the following counties: Harrison, Davies, Caldwell, Ray, La Fayette, Johnson, Henry, St. Clair, Cedar, Dade, Lawrence and Barry; all Illinois not included in District No. 7; all Indiana not in District No. 7; all Kentucky not in District No. 4; all Tennessee not in District No. 6, and all Mississippi not in District No. 6.
9	Minneapolis	687	4,702,864	Montana, North Dakota, South Dakota, Minnesota, all Wisconsin and all Michigan not in District No. 7.
10	Kansas City, Mo.	835	5,594,815	Kansas, Nebraska, Colorado, Wyoming, all Missouri not included in District No. 8, all Oklahoma north of a line forming the southern boundary of the following counties: Ellis, Dewey, Blaine, Canadian, Cleveland, Pottawatomie, Seminole, Oklahoma, McIntosh, Muskogee and Sequoyah; all New Mexico north of a line forming the southern boundary of the following counties: McKinley, Sandoval, Santa Fe, San Miguel and Union.
11	Dallas	726	5,634,091	Texas, all New Mexico and Oklahoma not in District No. 10; all Louisiana not in District No. 6, and the following counties in Arizona: Pima, Graham, Greenlee, Cochise and Santa Cruz.
12	San Francisco	514	8,115,524	California, Washington, Oregon, Idaho, Nevada, Utah and all Arizona not included in District No. 11.

The next step to be taken by the Organization Committee will be the notification to banks entering the system of the plans for the districts. Within thirty days after such notice is received by banks each must, under the law, begin the payment of its stock in the Reserve Bank in its district. Each bank must subscribe 6 per cent of its combined capital and surplus and the capitalization announced for each district is based upon this 6 per cent subscription. The payment of subscriptions by banks will be spread over many months. The Organization Committee was not authorized by law to provide for branch banks of the Federal Reserve Banks, but the act states that such banks shall be established. This task will be left to the supervision of the Federal Reserve Board, yet to be appointed by President Wilson.

### DOGDOM HOLDS SWAY

WASHINGTON, April 18.—Dogdom held sway here today. The Washington Kennel Association opened its annual show with bluebloods and red bloods from all over the country in attendance. The affair was given a touch of official sanction when the two sons of Secretary of the Navy Daniels entered their pet fox terriers. Ned Lane, son of Secretary of the Interior or Lane, also entered dogs. The bench committee includes George S. Lane, Dr. G. N. Payette, Dr. W. W. Evans, M. M. Cady, S. Desio, Jr., and T. O. Brown.

**Strengthens Weak and Tired Women**  
"I was under a great strain nursing a relative through three months' sickness," writes Mrs. J. C. Van De Sande of Kirkland, Ill., and "Electric Bitters kept me from breaking down. I will never be without it." Do you feel tired and worn out? No appetite and food won't digest? It isn't the spring weather. You need Electric Bitters. Start a month's treatment today; nothing better for stomach, liver and kidneys. The great spring tonic. Relief or money back. 50c and \$1.00 at your druggist.—Advertisement.

### AQUEDUCT ABOUT COMPLETED

The Aqueduct is about completed. We have on hand a very large amount of good serviceable water pipe, sizes 1, 2, 3 1/2, 4 and 6 inches. This pipe is in very good condition; only used for water purposes, carefully laid and taken up carefully. We must dispose of this pipe at once, and will do so at a big discount. Those who are in need of good serviceable pipe can find it here at a bargain in this pipe. Write or call at once. Aqueduct Pipe Company, City of Los Angeles, Office 1327 West Seventh St. Phone Wilshire 1315.

**A. H. WILLIAMS**  
Furniture and Hardware,  
807-809 West Fourth St.

# Doings In Social and Club Circles

## AMPHIONS ENTERTAINED

Delightful Social Event Given by Circle Was Enjoyed at Linn L. Shaw Home

An evening of pleasantly arranged games and music was enjoyed last night by the members of the Amphion circle and their guests at the spacious home of Mr. and Mrs. Linn L. Shaw, 225 West Fifth street. Miss Faith Shaw was hostess, with other members of a committee in charge of the evening. Others on the committee were Mrs. Nat. Neff, Mrs. Arnold Peck, Mrs. Emory Ratliff, Miss Nay, Miss Perkins, Miss Henry, Miss Mildred Mead, Miss Snare and Miss Lippitt. The house was charmingly decorated with nasturtiums, their rich colors glowing from vases and mantelpiece.

A variety of games were played in which Barry McPhee achieved honors with an accompanying prize of a little woolly lamb, not the "real thing" but a close imitation. To keep honors in the family, Mrs. McPhee successfully entered the race for consolation trophy, a basket of Easter candy eggs. A musical program was contributed to by Miss Ethel Giggis, Maurice Phillips and Raymond Miles in song, and Mrs. Arnold Peck with a piano number. Mrs. Peck also accompanied the singers.

Forty people were present to enjoy the evening's entertainment and before good night was said a delicious two-course collation was served.

## Presbyterian At Home

The "At Home" given by the ladies of the First Presbyterian Church Friday afternoon at the W. H. Thomas home at 425 West First street was very much enjoyed by those who attended. The guests were highly entertained with both vocal and instrumental music. The ladies' quartette composed of Mesdames Ludwig, Post, Smith and Thomas with Mrs. Moesser at the piano gave two vocal numbers, and Mrs. Patterson gave two piano selections.

That a "spicy" guessing contest in which all joined was very "tasty" was the unanimous verdict. Several of the ladies succeeded in naming all the condiments that figured in the contest and that "warmed up" every tongue to such an extent that a pitcher of cream seemed one of the most desirable things in life. The cooling sherbet that was served with delicious cake was especially acceptable after the warm but merry experience.

## Baraca-Philathea Rally

There will be a Baraca-Philathea rally at the First Presbyterian church Sunday evening and every member or former member of those two classes is cordially invited to come and join the ranks.

Rev. J. A. Stevenson has chosen as the subject of his sermon to the young people, "The Contagion of Character," and a special treat is in store for all who hear him.

The national Baraca-Philathea songs will be sung by the choir. The church will be decorated by the two classes and a rousing rally night is anticipated.

## Chautauqua Lectures

Rev. Homer T. Wilson, who is to deliver a series of Chautauqua lectures at the Christian Church in Santa Ana, is one of the great lecturers of this country. He is a member of the Interdenominational Lyceum Association and any one will be benefited by hearing him.

Many nice novelties such as Combing Towels, Corset Bags, Dress Shields cover, Dressing Sacques.

## Merigold Bros. Odd Fellows Building

## WEDDING ANNIVERSARY

Mr. and Mrs. C. C. Maxwell Made Honorees of Joyful Event Thursday Night

At the home of C. C. Maxwell, Thursday, Mr. and Mrs. R. L. Coats were joyfully surprised on their thirty-fifth wedding anniversary by the laundry employees. In memory of old times the bride dressed her hair as she did on that eventful day in 1879. The evening was pleasantly spent in playing games and watching the bride and groom dance their old-fashioned dances, after which dainty refreshments were served. Those present were Messrs. and Mesdames R. L. Coats, C. C. Maxwell, Wilson, Watkins, Pardue, Hardin, Berry, Roy Inman and Percy Crump; Masters Kenneth and Malvin Maxwell, Everly Berry and Watkins; Mrs. Cashion, Mrs. Mann; Misses Opal McDaniell, Sylvia Stine, Viola and Edna Sauerman, Bessie Baxter, Velma Burrows, Anna Werner, Angela Oyharzabal, Bertha Crump, Jeffie and Carrie Fies, Lallah Barkley, Ivy Inman and Gladys Wilson; L. E. Coats.

Attended Banquet  
J. C. Metzgar and H. T. Rutherford attended, Thursday night, the first annual banquet of the San Bernardino Chamber of Commerce and Merchants' Protective Association. They left here by automobile Thursday afternoon at 2:30, and returned to Santa Ana about 1 o'clock. The banquet and program arranged by the San Bernardino people was a great success. Nearly all the presidents of surrounding Chambers of Commerce were present. The principal attraction of the evening was John S. McGroarty, who made a splendid address on "San Bernardino's Asset of Romance."

## Mural Decorations

The April Art Study Club at the home of Mrs. George Smith, 316 French street, listened to a most interesting talk by Miss Nunn of the Polytechnic Art Department. She began with the history of mural decoration and decorators in the United States, tracing the art to the present day. She showed how difficult it was to become a mural decorator in that one must not only be strong in mere decoration but also versed in architecture, be a past master colorist, know the effects of different light conditions upon his work, the principles of landscape painting, etc., so that an artist who may be eminently successful along one or two lines cannot necessarily become a good mural decorator.

Miss Nunn took up especially among the modern mural decorators the work of Miss Violet Oakley, who has become especially prominent through her production in the governor's reception hall in Harrisburg, Pa. She is now at work upon a dome for the state capitol there.

The mural decorative work for the Panama exposition was last touched upon. The members are looking forward to being able to see this before long. The whole evening was much appreciated by those present.

The May meeting of the club will be held the third Wednesday in that month. It is hoped that an out-of-town artist may be secured for the evening, but definite plans have not yet been made.

## To Make Official Visit

The official visit of the District Deputy, Mrs. Prince L. Tope, to Hermosa Chapter, O.E.S., will be made next Monday evening. A banquet will be served following the business session. A large attendance of members is urged.

## Travellers to Meet

First Section of Bell Travel Department will meet on Monday with Mrs. I. W. Van Cleave, 317 Halesworth street.

## P.T. Association Met

A meeting of the Tustin Parent-Teacher Association held yesterday afternoon at the school house with about thirty parents and teachers present. President C. E. Ut was in the chair. After reading of minutes and other preliminaries, the seventh and eighth grade girls sang three choruses under direction of Prof. Langworthy. Mr. Langworthy then read a paper on "Supervision of Playgrounds." Officers were nominated for election at the next regular meeting in May. As there were no questions in the question box, the president asked if any special matters could be offered for consideration. In reply a request was made that the subject of playground supervision as suggested by Mr. Langworthy's paper, be discussed. The matter proved a fruitful subject and the parents expressed a desire for the early introduction of playground supervision and athletics, even before the proposed new building is completed, provided suitable apparatus can be obtained. Adjournment followed this discussion.

## Had Jolly Evening

The members of the Young Married People's Club were entertained Thursday evening by Mr. and Mrs. Norbert Lentz, 1733 Valencia street, whilst games consuming the first

## THE MAN WHO WORKS

Cannot afford to be careless of his eyesight—it often means the difference between advancement and loss of occupation. For your eyesight, see

## DR. K. A. LOERCH

116 East Fourth St.

## Three Minutes Ago

(at exactly 10:01 a. m.) a real estate man asked for a pair of hose in this store.

The salesman pulled down a half dozen or more styles—showed each one as our instructions are—and much to the salesman's surprise the customer said, "That's why I like to trade here; if I only want to spend a quarter your salesmen will go to as much work as if I wanted to spend twenty dollars."

That is service. Suppose you try it.

## Vandermast & Son

part of the evening. Then an exodus was made to the back yard, where a "weenie" bake was had over a cheerful bonfire, around which the company gathered after an 11 o'clock picnic supper, at which the "weenies" were the most conspicuous item in the appetizing bill of fare. A quartet of the young men entertained the rest of the company with songs which were sung about the campfire and which sounded beautifully on the "stilly night." Later adjournment was made to the parlors where Mrs. Natt Neff delighted the hearers with two pretty vocal numbers, and Mrs. Barry McPhee played two charming piano numbers. The hostess, Mrs. Lentz, also favored the guests with merry rag time music before good-nights were said.

Mr. and Mrs. Floyd Elliott were guests of the club. Besides the host and hostess, club members present were Mr. and Mrs. Sam Preble, Mr. and Mrs. Barry McPhee, Mr. and Mrs. Ted Shaw, Mr. and Mrs. Nat. Neff, Mr. and Mrs. Harry Hosler, Mr. and Mrs. Ray Wilson.

## Past Matrons to Meet

The Past Matrons' Association will meet next Thursday with Mrs. W. S. Arnold, 711 East Third street.

## His Fourth Birthday

Harvey Edstrom today celebrated his fourth birthday at the Elbell Day Nursery. For two years Harvey was an inmate of the Day Nursery and although he and his mother now have a pleasant home with good friends, the little fellow entertains fond memories of a previous birthday spent at the nursery, and asked to celebrate his one there. His mother accompanied the small boy and they took with them a treat of oranges, candy and a birthday cake. The children greeted Mrs. Edstrom and Harvey with open arms and a bounteous dinner was soon ready for the guests and the nursery family. Yellow and white were the colors seen in decorations and refreshments and in the candles about the cake.

After dinner the little ones had a merry hunt for little gifts hidden in various places. Then there were childish games and a general good time. Matron Jones always succeeds in making the children happy on these special occasions that they will always remember.

## Personals

Mrs. Ray Hulbert of Azusa is visiting at the home of Mrs. W. F. Palmer at 301 Garnsey. Mrs. Hulbert was an old schoolmate of Mrs. Palmer in Minnesota.

Mr. and Mrs. A. J. Turner of Stockton were guests yesterday at the home of their cousin, Mrs. M. Nisson. Mr. and Mrs. O. M. Robbins left yesterday afternoon for San Francisco for a week's stay. They will enjoy Insurance Day exercises at the exposition grounds tomorrow. Mr. Robbins is a delegate to the Masonic Grand Chapter convening Tuesday and Wednesday. Later Mr. Robbins will attend the convention of the State Building and Loan League at Fresno.

Miss Lucy Hill came down from Los Angeles Normal last evening to spend the week-end at home. She brought with her as a house guest, Miss Dorothy Dean of Los Angeles. Mr. and Mrs. E. L. Weston of 316 West Santa Clara avenue left today for Camptonville, near Orange County Park, for an outing of two weeks. Mrs. D. W. Wixom, who has been spending this week with her daughter, Mrs. Carl Barkow, returns to San Bernardino tomorrow. She will be accompanied by Mrs. Barkow, who will visit at the parental home until after the wedding of her brother, Ennis R. Wixom, who is to be married to Miss Olive Switzer at Highlands on April 29.

## CHICKEN DINNER

At Hotel Rochester, Orange, tomorrow (Sunday), 12 to 1:30, 50 cents.

## DIED

BARNES—In Los Angeles, April 17, 1914, Mrs. M. M. Barnes, aged 85 years.

Deceased was the mother of Mrs. C. A. Martin and A. A. Stewart of Los Angeles, P. T. Stewart and B. P. Stewart of Arroyo Grande and V. F. Barnes of Wintersburg.

## ASKS CONTRIBUTIONS TO SPANISH WORK

The following circular letter has been sent to many Santa Anans: "Dear Friend:—We know that you are ready to help any movement which will make Santa Ana better and we believe that little argument will be necessary to show the worth of this cause."

The Spanish Methodist Church is raising \$500 to build an addition to be used as a social hall and reading room.

This addition will provide needed room for Sunday school classes, a place for socials, a public reading room (the City Library makes no provision for the Spanish-speaking people), and a convenient place to hold evening classes in English and in Spanish.

It is our duty to offer the Mexican something besides poolrooms and picture shows and to give him a chance to learn English.

As Christians we should reach the young people especially, associate with them, and teach them our ideals and standards.

If you can help us in this work, any contribution from one dollar upward will be gratefully acknowledged by the undersigned.

Yours very truly,  
D. K. HAMMOND,  
Teacher of Spanish, Santa Ana H. S.

## HOLT THOUGHT OF HAVING LOU LIGHT PUT UNDER ARREST

H. G. Holt, proprietor of the Alorton, considered having Lou Light, who went here by the name of Light, put under arrest on a charge of defrauding the hotel. However, he did not do so as he knew Light, who posed as a "millionaire hobo," had no money. Out of jail, Light might dig up the money, while in jail he could not. Holt lost whatever faith he may have had in Light some time ago, and what spark of faith there may have been left went out before Light was arrested in Los Angeles on a charge of wife desertion. Light gave him a note for \$40, and failed to pay it.

## MAN, 90, TO COMPETE IN ORANGE EXHIBITS

In spite of the fact that he is ninety years old, J. H. F. Zarchow of San Gabriel, dean of California orange growers, will compete for his thirtieth prize at the 1915 exposition in San Diego and San Francisco says the Los Angeles Tribune. He has shown his crops at all of the great expositions in the country since 1876.

## MACKEREL AT NEWPORT BEACH BITING LIVELY

Wharf anglers are having great sport at Newport Beach. Yesterday, last night and this morning mackerel were being pulled up in numbers that dreams are made of.

## Physician Opens Office

Dr. Harry E. Zaiser has come to Santa Ana to open an office in the Harvey-Finley building. He practiced twelve years in Burlington, Iowa, and just recently returned from a year and a half post-graduate course in medicine in Europe. He is a brother of A. F. Zaiser of the Farmers & Merchants' National Bank.

Dr. and Mrs. Zaiser will reside on North C street near Edgewood Road, where they have purchased a beautiful suburban home consisting of a large orange and walnut grove.

## SOCIAL DANCE

L. A. Williams will give his final dance of the season in the Amory Hall, April 24, at 8:45. Music by Purcell Orchestra. Dancers are cordially invited.

—What is the use of cooking on Sunday, when you can bring your family to the Saddle Rock Cafe, opposite the Postoffice and get a good dinner for less than you could prepare it yourself? Good fried chicken dinner, 40c. Stewed chicken dinner, 35c. Our regular 25c dinner served from 11:45 a. m. till 8 p. m. A good variety of the best in the market, to choose from. W. V. Jackson, Prop.

## MOOSE DANCE

Another one of those popular dances will be given at the Moose Hall tonight. Do not miss this. The same excellent music will be furnished.

## NOTICE OF CLOSED ROAD

The road leading off Newport Road, a short distance east of the south end of South Main street, and running across the San Joaquin Rancho to a junction with the road to Laguna Beach is closed.

## DELHI DRAINAGE DISTRICT.

Children's Diseases Very Prevalent  
—Whooping cough is about everywhere. Measles and scarlet fever all most as bad. Use Foley's Honey and Tar Compound for raw, inflamed throats and coughing. Mrs. L. C. Hostler, Grand Island, Neb., says: "My three children had severe attacks of whooping cough, and a very few doses of Foley's Honey and Tar gave them great relief." Contains no opiates. Do not accept a substitute. Wingood's Drug Store.—Advertisement.

# OKLAHOMANS TO HAVE HOME AT FAIR

Those Living in California to Aid in Project—Plan for Reunion on April 22

SAN FRANCISCO, April 18.—Former Oklahomans now residing in California are taking steps to organize an active association whose object will be to assure a proper participation in the Panama-Pacific International Exposition. It is proposed immediately to raise a fund by voluntary subscription that will be sufficient to cover the cost of erecting an adequate Oklahoma building on the site that was selected for the state last September.

Judge Jesse J. Dunn has been appointed resident commissioner and headquarters of the Oklahoma organization has been established in his office in the Syndicate building in Oakland. Efforts are being made there to secure the names of all Oklahomans now living in this state and to enlist their aid in the movement. A fund will also be raised in the state of Oklahoma.

## DRY FEDERATION FOR FULLERTON

Fullerton Tribune: Chas. C. Chapman was chosen president of a local subdivision of the California Dry Federation organized by enthusiastic adherents of the "dry" campaign in a mass meeting at F.U.H.S. auditorium Wednesday night. Mrs. Carrie E. Ford was elected secretary, and George Esmay, treasurer.

This action was taken following an address by Dr. Guy W. Wadsworth, state superintendent of the Dry Federation. With a strong array of scientific authority, stubborn facts and attractive argument, he pounded John Barleycorn in three lively rounds, and had him on the run from start to finish. He attacked alcohol as "an enemy of the physical body, an enemy of wealth, and a bitter foe of character, morality and decency."

Dr. Wadsworth said the forces united in the dry federation include the Prohibition party, the Anti-Saloon League, the W.C.T.U. and kindred organizations, all united in promoting the addition of a new amendment, which, if adopted, will give effect to the prohibitory law in 100 days after the act is carried, instead of five days as at first provided.

Instrumental music was furnished by the high school orchestra under Miss Whittemore's direction, and Fred Hezmalch led the audience in a lively special song and chorus, composed for this campaign.

E. S. Richman presided over the session, which was begun with an invocation by Rev. R. B. Whiteside. Elder F. M. Dowling offered the closing prayer.

## SALTS IF BACKACHE AND KIDNEYS HURT

Stop Eating Meat for a While if Your Bladder is Troubling You

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water seals and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates thus ending bladder weakness. Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.—Advertisement.

Wealthy Morosini Heiress and Policeman Husband Kept from Her Home by Twenty Guards

For many years before Giulia Morosini, daughter of a very wealthy broker of New York, who got most of his wealth by acting for Jay Gould, was kept secluded in her home in New York city. She was permitted to meet few men, and then only under the eye of her father. One daughter, unable to bear this life, had run off and married, and the father didn't forgive her, at least not for years.

Shortly after the aged man died Giulia was saved by a New York traffic policeman. He was a fine figure of a man on his horse. She fell in love with him, and later married him. Now she has barred him from the magnificent home on the Hudson river left her by her father. Twenty guards to keep him out have been stationed on the grounds.

## NOSTRILS AND HEAD STOPPED UP FROM COLD? TRY MY CATARRH BALM

Instantly Clears Air Passages: You Breathe Freely: Dull Headache Goes: Nasty Catarrhal Discharge Stops.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it. Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils; penetrates and heats the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake tonight struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucous dropping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.—Advertisement.

**LOS ANGELES PRODUCE MARKET**

Another shipment of cherries arrived today, making the third of the year. The cherries sold at \$1 per pound, and are of the small black variety. They came from Courtland, and sold to one of the large downtown hotels. By the end of the week the shipments will be of sufficient size to quote cherries, and they will be with in reach of persons who desire to try light their palate at a cost somewhat less than 5 cents a cherry. Berries continue very plentiful, and the demand good. Long-stemmed strawberries are bringing better prices than packed stock, the long stems selling at about 10 cents. There were very few raspberries received, while blackberries were fairly plentiful.

Receipts of string beans are on the increase, and the green sold for as little as 5 cents. Asparagus is plentiful, and selling at 5 to 8 cents on good. There has been no change in lettuce or cabbage for several days. Cucumbers have dropped decidedly, with receipts from local outdoor producers. Bunch goods remain at the staple almost all year around quotations.

There was no change in the egg market.

**PROPOSALS FOR SCHOOL BONDS**

Said proposals for the purchase of school bonds in the sum of Eight thousand (\$8,000.00) Dollars of El Toro School District, Santa Ana County, California, will be received by the Board of Supervisors of Orange County up to 11 a. m. of Tuesday, April 21, 1914, and shall be held in public session at the office of the Treasurer of Orange County, California. Each of said bonds shall be dated June 1, 1914, and shall bear interest at the rate of five (5) per cent per annum, payable semi-annually on the first principal and interest to be payable at the office of the Treasurer of Orange County, California.

Said bonds are to be sold in the sum of Five Hundred (\$500.00) Dollars each, payable as follows, to-wit:

Bond No. 1, \$500.00, payable June 1, 1915.
Bond No. 2, \$500.00, payable June 1, 1916.
Bond No. 3, \$500.00, payable June 1, 1917.
Bond No. 4, \$500.00, payable June 1, 1918.
Bond No. 5, \$500.00, payable June 1, 1919.
Bond No. 6, \$500.00, payable June 1, 1920.
Bond No. 7, \$500.00, payable June 1, 1921.
Bond No. 8, \$500.00, payable June 1, 1922.
Bond No. 9, \$500.00, payable June 1, 1923.
Bond No. 10, \$500.00, payable June 1, 1924.
Bond No. 11, \$500.00, payable June 1, 1925.
Bond No. 12, \$500.00, payable June 1, 1926.
Bond No. 13, \$500.00, payable June 1, 1927.
Bond No. 14, \$500.00, payable June 1, 1928.
Bond No. 15, \$500.00, payable June 1, 1929.
Bond No. 16, \$500.00, payable June 1, 1930.

The bonds will be sold for cash only, and at not less than accrued interest. The purposes for which said bonds were voted were and are for the purpose of raising money for building or more school buildings, for insuring school buildings, for supplying school buildings with furniture or necessary apparatus, and for improving school grounds.

A certified or cashier's check payable to the order of the Chairman of the Board of Supervisors in the sum of three per cent of the amount of said bonds or of the portion thereof bid for, must accompany each bid. Said Board reserves the right to reject any and all bids.

The total valuation of taxable property within the El Toro School District in said County for the year 1913 is \$347,565.00, exclusive of operative property, and the outstanding bonded indebtedness is none.

By order of the Board of Supervisors of Orange County, California, made April 8th, 1914.

W. B. WILLIAMS,  
County Clerk and Ex-Officio Clerk of the Board of Supervisors.

13.65 acres close in, for subdivision, \$600 per acre.

10 acres near Tustin, \$3500.

## SECOND LEAGUE GAME TAKEN 12 TO 4

Santa Ana High School De-  
feated Beach Players  
Yesterday

The Santa Ana boys moved one  
peg nearer the county baseball cup  
yesterday by handing Huntington  
Beach the short end of a 12 to 4  
score.

The game was played in the face of  
a hard wind that made some of the  
fielding errors excusable. In spite of  
the handicap of wind and a rough  
diamond the game was good to see  
from start to finish. Shallenberger  
started for the Poly High boys, and  
held the beachers scoreless until the  
sixth, when one was slipped over the  
rubber due to a base on balls, an error  
by Santa Ana's captain, and a hit.  
In the seventh Shallenberger  
wobbled a little and poor support let  
two more over. One lone one came  
home in the eighth. Du-art went to  
the mound in the ninth, and the  
game was over. Shallenberger pitched  
good ball and with perfect sup-  
port would have handed the opposi-  
tion a string of zeroes.

One of the features of the game  
was Lee Brown's catcaring and peg-  
ging to the bases. Twice he nailed  
his man at third when the beachers  
attempted to take a little liberty on  
the far corner. With a man on first  
and third he bluffed a throw to second,  
whipping to third, catching his  
man by a yard.

In the outfield "Big Spud" had a  
busy day pulling down the "high  
ones" and accepted every chance  
without a bobbie. His peg home  
which Shallenberger relayed to  
Brown, cutting off a run, was a fea-  
ture.

The team went in to fatten their  
batting average and pounded out 18  
safeties. A bigger score would have  
been made had the boys not tried to  
stretch singles into two baggers.  
Brown, Carver and Irvine made three

## SAGE TEA PUTS LIFE AND COLOR IN HAIR

Don't Stay Gray! It Darkens  
So Naturally that Nobody  
Can Tell

You can turn gray, faded hair beau-  
tifully dark and lustrous almost over-  
night if you'll get a 50 cent bottle of  
"Wyeth's Sage and Sulphur Hair  
Remedy" at any drug store. Millions  
of bottles of this old, famous Sage  
Tea Recipe are sold annually, says a  
well-known druggist here, because it  
darkens the hair so naturally and  
evenly that no one can tell it has  
been applied.

Those whose hair is turning gray,  
becoming faded, dry, scraggly and thin  
have a surprise awaiting them. Be-  
cause after one or two applications  
the gray hair vanishes and your locks  
become luxuriantly dark and beau-  
tiful—all dandruff goes, scalp itching  
and falling hair stop.

This is the age of youth. Gray-  
haired, unattractive folks aren't want-  
ed around, so get busy with Wyeth's  
Sage and Sulphur tonight and you'll  
be delighted with your dark, hand-  
some hair and your youthful appear-  
ance within a few days.—Advertisement.

## Expert Corset Fitter

Tuesday and Wednesday  
April 21 and 22

Miss Gail Butt, expert fitter  
for the Goodwin Corset, will be  
at my place on the above dates.

Be comfortable—get the  
Goodwin Corset, because ev-  
ery model keeps its shape, and  
is so constructed as to mold  
the figure into correct shape  
and poise.

MRS. M. L. FOSTER, Agent  
836 N. Birch

hits each; Carrillo, Duhart, Snow and  
Cannon made it two each, and Mor-  
rison one—a three-bagger. Shallen-  
berger was the only member not  
connecting safely. His drive landed  
in the fielders' hands. Huntington  
Beach has the best team that has  
represented the school for two or  
three years. As most of the team  
are new men she may figure next  
year in the championship running.

The next game for the Poly High  
boys will be with Anaheim on the  
Santa Ana grounds, probably next  
Friday. The game is scheduled for a  
week from today, but as that is the  
date of the County Triangle League  
meet on the Poly grounds, the game  
will likely be set for Friday.

Santa Ana's line-up for yesterday:  
Brown, c; Carrillo, 1b; Irvine, rf;  
Carver, 3b; Duhart, ss and p; Can-  
non, 2b; Morrison, cf; Snow, if and  
ss; Thompson, lf; Shallenberger, p.  
Umpire—Fishback of Orange.

## AT THE COURTHOUSE JUDGMENT GIVEN IS NOW SATISFIED

Smithwick is Paid \$2250 for  
Injuries Received from  
Mule's Hoof

Satisfaction of judgment has been  
entered in the action brought by Sid  
Smithwick against Jerome Bros.  
Smithwick was given \$2000 for in-  
juries and \$250 for expenses. He  
was at work for Jerome Bros. when  
his leg was broken by a kick from a  
mule. The company in which Je-  
rome Bros. had their employees in-  
sured refused to pay, and it was nec-  
essary for Smithwick to sue Jerome  
Bros., one of whom is his brother-in-  
law. After judgment was entered,  
the insurance company settled. Wil-  
liams & Rutan appeared for Smith-  
wick.

**Suit for Divorce**  
An action for divorce brought by  
Martha B. Silkwood against Roy M.  
Silkwood in Los Angeles has been  
transferred to this county.

**Attachment Case**  
An attachment has been recorded  
in the case of R. L. Burdick Co.  
against J. M. Grimley on a demand  
for \$76.96.

On a demand for \$16.55, E. R. Bohan  
has filed a lien against lot 19, block  
34, Newport Beach. While the lien  
is against L. B. Talley, the reputed  
owner of the lot is M. S. P. Hill.

**Marriage License**  
George W. Patison, 49, of Santa  
Ana, and Pearl L. Wyatt, 39, of Long  
Beach.

## IN THE JUSTICE COURT JUSTICE COX ADDS \$100 TO TREASURY

Justice Cox fattened his batting  
average this morning when he added  
\$125 to the fines he has knocked out  
this year. He collected \$100 from  
John Zang of Brea, Zang pleading  
guilty to a charge of gambling, and  
\$25 from Wilford, a poolroom keeper,  
on a charge of keeping his poolroom  
open after 11 o'clock at night. Mate  
Smith, who declares he is not Wil-  
ford's partner, is to be tried on a  
charge of keeping the poolroom open  
after 11 o'clock at night.

**Sentence Held Up**  
Ninety days in jail is a sentence  
put over John T. Crowell this morn-  
ing. He was found guilty of battery  
upon his wife. Justice Cox suspend-  
ed the sentence.

**Foley Kidney Pills Successful for  
Rheumatism and Kidney Trouble**  
—Easy to take, quick to give good  
results, positive in action for back-  
ache, weak back, rheumatism, kidney  
and bladder troubles. As soon as you  
begin taking them you feel the ben-  
efit of their healing qualities. P. J.  
Boyd, Ogle, Texas, says: "After tak-  
ing two bottles of Foley Kidney Pills,  
my rheumatism and kidney trouble  
are completely gone." Safe and ef-  
fective. Contains no habit-forming  
drugs. Wingood's Drug Store.—Ad-  
vertisement.

**MOOSE DANCE**  
Another one of those popular  
dances will be given at the Moose  
Hall tonight. Do not miss this. The  
same excellent music will be fur-  
nished.

(AUTHORIZED PUBLICATION)

C. E. RUDDOCK

Candidate for Re-election for Sheriff  
of Orange County

One of the most earnest workers in  
our public service today is C. E. Rud-  
dock, sheriff of Orange county. Mr.  
Ruddock has successfully filled this  
position since elected, and that his  
services have been appreciated by his  
constituency is best proven by the  
fact that there is a general request  
from all over the county that he stand  
for re-election, which he has con-  
cluded to do.

It may be truthfully said that Sher-  
iff Ruddock has conducted the affairs  
of that office in a most businesslike  
manner, and that he has received  
much praise for his efficiency. He  
has lived in Orange county over sev-  
enteen years. He was city marshal  
of Fullerton for over eight years and  
made many life-long friends while  
there. In every position he has man-  
ifested that coolness, fidelity, cour-  
tesy and business sagacity, which have  
won for him the esteem and confi-  
dence of all who know him.

## SLIM WOMAN GOOD INSURANCE RISK

Spinster's Chances for Long  
Life Better Than That of Her  
Married Sister

SAN FRANCISCO, April 18.—Ac-  
cording to the records of the big life  
insurance companies of the country,  
slender women are better risks than  
stout women, and single women live  
longer than their married sisters.

"A woman who is thirty pounds  
under weight," said George H. Beau-  
dry of a coast life insurance company,  
"is 18 per cent better risk than a  
woman who is thirty pounds over  
weight. Mortality among women who  
are thirty pounds under weight is only  
94 per cent, whereas among women  
over weight the mortality is 112 per  
cent."

"The spinster's chances for long  
life are 50 per cent better than those  
of her married sisters. Out of 149,  
000 single women insuring, the mor-  
tality rate was only 81 per cent, while  
among the women insuring with their  
husbands the percentage of the mor-  
tality was 126 per cent. The married  
woman has not even chances with the  
married man, at least in the first few  
years of married life. The percentages  
among the men increase with age. For  
the first two years of insurance, wom-  
en have a high mortality rate, wheth-  
er they be married or single, and this

Sheriff Ruddock has a splendid  
standing throughout the entire state  
and county as an officer. He has a  
genial, pleasant manner, firm, cour-  
teous and positive. He is a man who  
takes a broad view of life and believes  
in filling full the position he holds  
and performing with dogged tenacity  
his full duty on any given occasion.  
To him is due the bringing back from  
Mexico of the notorious Rosario Saiz,  
who escaped from the Orange county  
jail and then fled the country.

Sheriff Ruddock is an extremely  
busy man. The business of the office  
having increased six or seven times  
in the last three years. Up to the  
12th of August, 1913, the business was  
handled by the same force as when  
he came into office. Two men were  
then added, and still the business is  
increasing with great rapidity.

If re-elected, Sheriff Ruddock will  
administer the affairs of the office in  
the same straight-forward manner as  
in the past, without fear, favor or  
partiality. He is a man the people can  
trust, and when duty calls he is gen-  
erally the first man on the job.—Ana-  
heim Plain Dealer.

fact the companies attribute to a pre-  
monition which women are declared  
to possess. The insurance people call  
this instinct and they say women feel  
the instinct of death so keenly that  
often the companies lose during the  
first two years of policy holding.

"Two per cent of all the policies the  
companies grant to suicide, and the  
figures relating to women's suicides  
throws an interesting light on the  
facts. Death from self-inflicted causes  
among spinsters total only six-tenths  
of one per cent, while among married  
women the percentage is less than one-  
tenth higher. The companies make a  
distinction, however, among the mar-  
ried women. Between the happily  
married class, or women whose insur-  
ance is drawn in favor of their hus-  
bands, and the single women, there is  
almost no difference.

"The women whose beneficiaries  
are people other than their husbands  
show one and one-tenth per cent,  
while among the widows and divorced  
women the per centage from suicide  
climbs to 1.7."

**Why It Suits Particular People**  
Foley's Honey and Tar Com-  
pound is prompt and effective for  
coughs, colds, croup, hoarseness, bron-  
chial coughs and for any condition  
where the membranes of the throat  
and bronchial tubes are inflamed and  
raw. Thomas Verron, Hancock, Mich.,  
writes: "Foley's Honey and Tar has  
always proven effective, quickly re-  
lieving tickling throat and stopping  
the cough, with no bad after-effect." It  
contains no opiates, and is a pure, re-  
liable medicine. That's why it suits  
particular people. Wingood's Drug  
Store.—Advertisement.

## YOUNG ACTRESS IS WEDDED BY J. B. COX

Los Angeles Times: Miss Kath-  
erine M. Sperling, whose stage name is  
Katherine de Walde and who ap-  
peared at the Hippodrome some weeks ago,  
was married yesterday at Santa Ana  
by Justice Cox to Nicholas Cappello,  
an Italian giving his occupation as  
"retired," and said to be a resident of  
San Pedro.

Miss de Walde, with her brother,  
played in this city about two months  
ago. At that time she was receiving  
ardent attention from Cappello. The  
romance of two months culminated in  
the marriage of yesterday.

Miss de Walde formerly lived with  
her parents in Los Angeles.

## SONS OF REVOLUTION MET ON A WHARF

WASHINGTON, April 18.—Because  
its constitution calls for holding the  
annual meeting in this city, the Gen-  
eral Society, Sons of the Revolution,  
met here yesterday—on a wharf. The  
sons, however, did not tarry long. In-  
stead, they boarded a Potomac river  
boat en route to Yorktown and other  
points of historic interest in Virginia.

## Clears Complexion—Removes Skin Blem- ishes

Why go through life embarrassed and  
disfigured with pimples, eruptions, black-  
heads, red rough skin, or suffering the  
torments of Eczema, Itch, tetter, salt  
rheum. Just ask your druggist for Dr.  
Hobson's Eczema Ointment. Follow the  
simple suggestions and your skin worries  
are over. Mild, soothing, effective. Ex-  
cellent for babies and delicate, tender  
skin. Stops chapping. Always helps. Re-  
liefs or money back. 50c, at your drug-  
gist.—Advertisement.

## BIG AGRICULTURAL LAND OPENING

TWELVE HUNDRED AND FIFTY TRACTS of five and ten acres each to be granted to prospective settlers in  
throwing open Twenty Thousand Acres of Rich, Southern Georgia Land, which is admirably adapted to the growing of  
celery, sweet and Irish potatoes, canteloupes, water melons, corn, oats, cotton, hay—in fact, all staple crops grown in  
this fertile section, as well as a large variety of semi-tropical fruits, and the famous immensely profitable paper-shell  
pecans.

Providing you are eligible under the classifications prescribed by us, you are now offered an excellent opportunity  
to break away from the drudgery and toil of a small wage, or working for the benefit of landlords, and go back to a land  
of plenty, to which, if granted, you will hold a warranty deed and abstract.

The best security on earth is the earth itself, and land is the basis of all wealth. Owners of productive lands are  
benefiting by the increasing high cost of living, while others are suffering from it.

## An Opportunity to Secure Rich Productive Land Without Capital

You will not be required to leave your present surround-  
ings now. All we ask of those to whom we grant tracts is  
that they plant, or arrange to have planted, a crop of one  
of the above-mentioned products within three years, after  
which we will have it operated (harvested and replanted)  
for grantees, in consideration of 25 per cent of the net  
profits derived from the sale of the crops, thereby allowing  
the grantee to pursue his or her present occupation until  
such time as they determine just what the yield of their  
tract amounts to. Consider what this may mean as a  
source of income, when statistics show that the yield of one  
acre of celery amounted to \$1,268.45, and that one acre of  
well-cared-for paper shell pecans, in full bearing, should net  
its owner as high as \$500.00 per year. We are of the opin-  
ion that after it is proven by actual results obtained in op-  
erating the land that they will need no further urging, and  
waste no time in locating in this land of plenty. We also  
require grantees to occupy the land within ten years, or  
sell it to some one who will occupy it; otherwise it reverts  
back to the grantor.

The land included in this opening is located directly on  
and adjoining the Atlanta, Birmingham and Atlantic Rail-  
road, about twenty-five miles west of Brunswick, a thriving  
city of fifteen thousand having direct steamship service  
to New York and Boston, and excellent railroad transporta-  
tion facilities to all points. The average temperature for six  
months of the year, from April to October, is 77 degrees; the  
climate is most beautiful, delightful, and invigorating, and  
there is an ample rainfall of 51 inches per year.

## OUR AIM IS FOR MUTUALLY BENEFICIAL RESULTS

As we are extremely desirous of having settlers locate on  
this property, and assist in its development, and thereby  
greatly increase the value of surrounding and intervening  
property, which we will hold, and to increase the traffic  
along the Atlanta, Birmingham and Atlantic Railroad, and  
thus facilitate the service, we feel warranted in granting  
these tracts to those who register with us. We also have  
in mind business and residence plots which we will offer for  
sale after the opening, but which will not be included in it.  
We have "money-making afterward" considerations in this  
liberal-minded opening, similar to those of the Northern Pa-

SOUTHERN GEORGIA RAILROAD-LAND DEVELOPMENT BUREAU  
COLORADO BUILDING, WASHINGTON, D. C.

Southern Georgia Railroad-Land Development Bureau,  
Washington, D. C.

Registration Department

I hereby make application to register for your Fruit and Agricultural Railroad-Land Opening, and furnish you with  
the correct answers to the following questions:

Name .....City .....

State .....Street or R. F. D. No. ....

Age .....Married or Single.....Widow, Widower, or Orphan.....Occupation.....

Nationality.....Do you now own over ten acres of land in the United States?.....  
If not, without obligation, further and complete infor-  
mation and particulars, including maps of the land, showing its exact location on the Atlanta, Birmingham and  
Atlantic Railroad, its transportation facilities, agricultural, fruit and nut-growing possibilities, etc.  
Very truly yours,

Signature.....

## ESTRAY NOTICE

Santa Ana, Cal., April 11, 1914.

This is to certify that I have taken  
up the following described estray,

One estray Range Red Cow, swal-  
low fork on right ear. Said estray  
was taken up at Carlen Grove, and  
is now confined at J. E. Brown ranch  
about three miles west of Santa Ana,  
Cal.

Probable value of said estray is  
\$10.

Brand on left hip.

## REIGN OF TERROR ON IN MEXICAN CAPITAL

All Foreigners Concentrate in  
One Zone for Defense in  
Case of Attack

### WILSON APPEALS TO THE BRAZILIAN CONSULATE

Administration Worried; Hands  
Tied—Peril for Americans if  
Troops Advance

VERA CRUZ, April 25.—El Dictamen, a newspaper, publishes the story of four Americans killed by mobs in Mexico City. Three were dragged from the street cars and the fourth was killed in the Y.M.C.A., according to a dispatch the paper claims came from Mexico City.

### REAL REIGN OF TERROR— FOREIGNERS WILL UNITE

WASHINGTON, April 25.—Foreigners of all nationalities in Mexico City have concentrated in one zone for resistance if attacked is the news brought to Vera Cruz by the last refugees, according to a message received here from Consul Canada. The message was garbled and confusing from the fact that Mexico City is absolutely cut off from communication, but the State Department apparently believes it is well based. All reports received here agree that there is a reign of terror in Mexico City. Rioters, swarming in the streets, dragged the George Washington statue at the end of a rope, and jeering mobs finally dumped it at the Juarez statue. Business is practically suspended.

### ACTION BY PRESIDENT IS MOST HAZARDOUS

WASHINGTON, April 25.—Students of the situation admitted today that the President's hands are tied because of the condition of Americans remaining in Mexico. They pointed out that if he sends troops inland, no matter what the provocation, it will mean death to the Americans unable to leave the interior. The President held various conferences during the day, finally calling in Secretaries Bryan and Burleson. It was admitted by Secretary Tumulty, who, with Admiral Blue, was later summoned during this meeting, that an important announcement might be forthcoming later, but he declined to make any comment.

### DETENTION OF AMERICANS IN CAPITAL CONFIRMED

The British embassy has received reports confirming the story that Huerta has refused to permit Americans to leave Mexico City because he believed the Americans at Vera Cruz were preventing Mexicans from going to Mexico City. The administration is trying to correct this misapprehension on Huerta's part. Mexicans were taken to Col. Corona's Mexican train last night when Charge O'Shaughnessy and Consul Shakin were delivered, and were told that their countrymen at Vera Cruz, whenever in sufficient numbers, would be given transportation facilities. Col. Corona promised to so inform Huerta.

### ASKS BRAZILIAN EMBASSADOR TO URGE FOR PROTECTION

Secretary Bryan said he had no official information regarding the reported arrest of J. Starr Hunt and family and Burton Wilson, who were reported to have been taken from the train bearing the O'Shaughnessy party to the coast. Apparently there is no way to confirm the report. The Brazilian embassy at Mexico City has been asked to investigate all reports and make necessary representations to Huerta for the protection of all foreigners. The British embassy has been notified of the reported arrest of Breton at Mexico City.

### WASHINGTON, April 25.—Consul

Canada of Vera Cruz has officially reported the arrest of several Americans in Mexico City made prior to Charge O'Shaughnessy's departure from the capital. J. Starr Hunt and his family and several others were taken from the train before it left the Mexican capital, and it was stated at Laval, on the outskirts of the city, that Burton Wilson had been arrested. Members of O'Shaughnessy's party arriving at Vera Cruz told Consul Canada that a veritable reign of terror existed in Mexico City. They confirmed the report that the statue of George Washington had been razed, and left broken at the feet of the statue of Benito Juarez, the Mexican hero.

### MEXICAN CASUALTIES AT VERA CRUZ ARE CABLED

WASHINGTON, April 25.—The first official estimate of Mexican casualties at Vera Cruz was cabled to the Navy Department last night by Rear Admiral Fletcher. It placed the dead at 126, and the wounded at 195.

### CARRANZA APPEALS TO SPAIN AGAINST U. S.

MADRID, April 25.—The Madrid Press Association distributed today a

## VILLA PLEDGES FRIENDSHIP TO UNITED STATES

JUAREZ, April 25.—General Pancho Villa today sent the following message to the American people through the United Press: "My personal wish is that America will continue to blockade the port of Vera Cruz. In that event the Constitutional army will be in Mexico City soon and I solemnly promise America that I will see that drunken Huerta offers full and satisfactory apology for his various insults to the great friend of the masses of the Mexican people—the United States."

statement by Carranza stating that all Mexicans should become united against the American invaders and fight to the last breath. It is said that 17,000 Spaniards are joining the movement.

### HUERTA REPORTING MEXICAN VICTORIES

LONDON, April 25.—A special dispatch to the Daily Telegraph, purporting to come from Mexico City today, said that Huerta had announced the capture of several Texas cities, and that 50,000 armed Mexicans were marching toward the American border.

## AN EAST PINE HOME ENTERED BY BURGLARS

While Family is Gone, House  
Ransacked, Articles  
Stolen

Last night between 8 and 9 o'clock the home of George Hemstock at 412 East Pine street was burglarized. The thief or thieves entered through the back door, which was unlocked, and ransacked the house.

A dozen handsome knives, a dozen forks, and a bolt of linen, altogether worth \$45, were stolen. The visitors helped themselves to milk, bread and butter and other things found in the pantry.

In every room of the house there were evidences of the work of the thieves. Drawers were emptied on the floor, and baskets and bags had been searched. No money was missing.

Mr. and Mrs. Hemstock returned home about 7:50 o'clock and returned an hour later, to find that the place had been burglarized. Officers Murray, Ryan and Ballard investigated, but got no clues.

### 16,000 ACRES OF BEETS IN OXNARD

OXNARD, April 25.—As large crop of sugar beets from 16,000 acres this year, as from 18,000 acres in 1913, is the prospect in this locality. The decrease in acreage is due to the reduced price paid by the American Beet Sugar Company to farmers, owing to the reduction in tariff. The increased yield is expected because of the fine growing weather that has prevailed. The beets are showing up fine, and it is thought the sugar making campaign will begin at least two weeks earlier this year than usual. The opening date in 1913 was July 16.

### THREE ILLINOIS TOWNS RAZED BY CYCLONE

KANKAKEE, Ill., April 25.—Three villages near here were razed by a cyclone today, sweeping Iroquois and Kankakee counties. Mrs. Hortense Collins was killed here. A hundred heads of live stock perished. Details are yet unavailable on account of the prostrated wires.

### MAURY DIGGS CASE CONTINUED ONE WEEK

SAN FRANCISCO, April 25.—The case of Maury Diggs, charged with attacking Ida Peering, aged 17, has been continued another week on account of Diggs being ill with appendicitis.

### NO ARMS FOR MEXICANS IN SAN BERNARDINO

SAN BERNARDINO, April 25.—Chief of Police Secombe has notified all stores to refuse to sell firearms or ammunition to Mexicans. Local Mexicans are staying off the streets, as they seem to think the Americans may do them some harm. A railroad official declares that most of the Mexicans in the track gangs are laboring under the impression that they are not wanted in this country.

### "BILLY" SUNDAY MAY SPEAK

WASHINGTON, April 25.—Pastors of this city met today to decide whether or not to invite "Billy" Sunday, the baseball evangelist, to speak here. Rev. Joseph T. Kelly of the Fourth Presbyterian Church was scheduled to report on a Sunday revival he attended recently in Pittsburgh.

## MOCCASIN WORD THAT MADE A WINNER

Silver Cups for Best Spellers  
Went to Orange and  
Fullerton

### NEWPORT BEACH HAS BEST ELOCUTIONIST

At Least Best Among Boys,  
Anaheim Has Best Among  
Girls

How would you spell that article made of deer skin that the last of the Mohicans and other Indians wore upon their feet?

Any boy ought to be able to spell that word. At least one boy spelled it correctly this morning, and because he spelled it m-o-c-c-a-s-i-n he won the silver cup as the best speller in the eighth grades of all the schools of Orange county.

Of course there were a lot of contestants who could have spelled the word, but they had been eliminated from the match before moccasin was reached. The boy who won the eighth graders' cup is Beverly Smith of Glassell street school, Orange.

The best speller in the seventh grades proved to be Norma Dusenbury of Fullerton.

The spelling contests were conducted as a part of the day's program arranged by the Triangle League, an organization fostered by the County Y. M. C. A.

The boys' elocution contest was won by Royal Jumper of Newport Beach. A second-place cup was given to Cecil McCoy of Huntington Beach because the result was so close, only a difference of one-fourth of a point on a total of 125 separating the two.

The girls' elocution contest results are: First Fay Kern of Anaheim; second, Flora Walker, Fullerton; third, Grace Smiley, Santa Ana.

The tennis championship went to Joe Elliott of Anaheim.

The athletic events are being held this afternoon.

## TAMPICO ATTACK RESUMED BY REBELS

Mexican Federal Gunboats  
Replying—1945 Refugees  
Sent to Galveston

WASHINGTON, April 25.—At 7:30 a. m. the Navy Department made public a dispatch from Rear Admiral Badger reciting a wireless communication received by him as commanding officer of the naval forces on the Mexican coast from Rear Admiral Mayo, commanding at Tampico. Reassurances as to the personal safety of the Americans in and around Tampico are given.

In the dispatch Admiral Badger reports the following from Admiral Mayo: "A constitutionalist attack on Tampico is in progress today. Gunboats (presumably Mexican federal gunboats) are firing. The Bravo and Vera Cruz have been stationed upon the Panuco river.

"The Patterson and Paulding (destroyers) have arrived from Tuxpam. The Esperanza sailed for Galveston with 140 Vera Cruz refugees and many Tampico refugees. The Dixie sailed with 585 refugees.

"The total number of refugees sent to Galveston is 1945."

### MASS MEETINGS PLANNED

WASHINGTON, April 25.—Two mass meetings are booked for tomorrow to give Washington an opportunity to learn of the efforts of Adoniram Judson, pioneer missionary. His son, Rev. Edward Judson, professor of missions at Colgate University, will be the speaker.

### TAXES DELINQUENT ON MONDAY EVENING

This is to remind taxpayers that county taxes will go delinquent at 6 o'clock Monday evening, April 27. Tax Collector Lamb's office will be open all day Monday. Bring your tax bills with you. Better yet, write out a check, inclose it with your bill, and mail it to Lamb.

## U. S. CITIZENS ARE HELD AS HOSTAGES

Every Federally Controlled City  
in Mexico Detains  
Americans

### O'SHAUGHNESSY PARTY ONLY ALLOWED TO LEAVE

Americans' Arms Taken from  
Them in Mexico City—Are  
Now Unprotected

By Wm. G. Shepherd  
(Copyrighted by United Press.)

VERA CRUZ, April 25.—Every city federally controlled in Mexico is holding Americans as hostages. All of the O'Shaughnessy party which has arrived from the Mexican capital, except the consul himself, express the opinion that only the quick advent of troops in Mexico City will save the Americans there, Huerta refusing to let any American leave the capital. An order has been issued that no one can enter or leave the city. At the railroad station when the late Charge d'Affaires O'Shaughnessy departed he was besieged by Americans begging to accompany him, but his Mexican escort refused to permit them to do so and O'Shaughnessy was helpless in the matter.

At Cordova a man wearing the British colors handed O'Shaughnessy a note saying: "Bliss, Erford, Whitcomb and many other Americans are in jail here. They were taken from their train and held as hostages in the event of an attack on the town. They want you to help them."

At Tejeria, other Americans who had been taken from a train bound for Vera Cruz on Thursday, begged piteously to be taken aboard O'Shaughnessy's train.

On Thursday night Huerta ordered the homes of all Americans to be searched for arms. Those remaining in the capital now are without the slightest protection. Mexico City papers have issued the wildest of extras, one paper urging "Chop the dogs up."

### O'SHAUGHNESSY HELPLESS TO AID AMERICANS

Americans also crowded the stations at Japala, Cordova and Orizaba, pleading to be taken aboard. Again O'Shaughnessy was helpless. These had been taken from an earlier refugee train en route to Vera Cruz. O'Shaughnessy's party was transferred from a Mexican to an American train at a point where the railroad had been torn up for a mile. American Captain Huse crossed the interval between the two trains alone under a white flag and the Mexican colors. Colonel Corona, commanding the Mexican train, advanced, the officers shook hands and the Mexican said: "By order of my president I deliver to you American Charge d'Affaires O'Shaughnessy, American Consul-General Shanklin and their staffs." Captain Huse shook hands with O'Shaughnessy and Shanklin, then told Colonel Corona that he carried on the American train 250 Mexicans wishing to go to Mexico City. Among them were the wife and daughter of General Maas, former commandante at Vera Cruz. The woman is related to Huerta.

MEXICAN OFFICER HAD  
NO DISCRETIONARY POWER  
Captain Huse suggested that the railroad be left open for transportation in both directions. O'Shaughnessy then said to Colonel Corona: "Perhaps you now can arrange for the departure of the Americans remaining in Mexico City." Col. Corona replied: "I have no authority to discuss any representative and their staffs." He then sent Mrs. O'Shaughnessy to the other train in one of the three American embassy automobiles on his train, then took the other two back to the capital, promising to deliver them within American lines, however, on Saturday.

### 80,000 SEE FOOTBALL GAME IN LONDON

LONDON, April 25.—Over 80,000 football fans crowded the Crystal Palace grounds this afternoon to witness the final for the English Association Cup, the biggest event of the "soccer" season. The opposing teams, Liverpool and Burnley, were new to the Palace, neither having even reached the final before, and there was much rivalry between the supporters of the two Lancashire clubs. By defeating last year's winners, Aston Villa, in the semi-finals, Liverpool put up an astonishing performance, but the general impression was that Burnley would prove victorious today.

### —Workmen's compensation insurance? Yes, I sell the best, Ben Turner.

—Rebuilt typewriters? Ben Turner.

## ADMINISTRATION URGED TO MAKE AN ANNOUNCEMENT OF POLICY

Wilson Has Definite Plan--Keeps it Secret  
May Be Negotiating With Both  
Carranza and Villa

WASHINGTON, April 25.—Members of the House and Senate are impatiently urging the administration to announce a definite Mexican policy. President Wilson and his advisors have a plan, it is stated, but refuse to give it to the public yet. Their silence has resulted in putting various rumors afloat. One was to the effect that the administration is negotiating with Carranza.

It is also rumored that the president has suggested to General Villa that there is no longer any reason why the rebels before Tampico should not push on to the capital. The news that the rebels have renewed their attack on Tampico was considered by many as a confirmation of the second rumor. The theory was that as soon as Tampico falls into their hands, the rebels will march to Mexico City.

Secretary of the Treasury McAdoo is reported as being in favor of introducing a war tax measure in Congress to enable any debate necessary to be concluded before the time for immediate action. The administration leaders are generally opposed to this.

REBEL JUNTA IN CAPITAL  
URGE REBEL NEUTRALITY  
WASHINGTON, April 25.—Members

of the Constitutional Junta in Washington are making no secret of the fact that all the influence they can bring to bear on Carranza and Villa is being exerted to prevent them from mixing in the present trouble in Mexico. The strongest advice that could be written has been forwarded to both by wire in numerous telegrams. The gist of the advice is to the effect that if the Constitutionalists come to the aid of Huerta, the end of the independence of the Mexican republic is in sight. Members of the junta are hopeful that their advice will be accepted.

FEDERAL OVERTURES ARE  
REJECTED BY THE REBELS  
NOGALES, Ariz., April 25.—Formal overtures from the Huerta forces to the Constitutionalists to make common cause against the United States have been rejected by the Constitutionalists. The communications were exchanged between General Joaquin Tellez, one of Huerta's intimate friends, and prominent generals, and General Obregon, Constitutional commander in the state of Sonora.

## PANAMA CANAL ON WAR FOOTING LOCKS GUARDED BY INFANTRY

PANAMA, April 25.—Col. George Goethals, governor of the Panama Canal Zone, issued orders today placing the canal zone on a strictly war footing. The soldiers were given 100 rounds of ammunition each and will command the Tenth Infantry, to near the locks.

The soldiers were given 100 rounds of ammunition each and will command the Tenth Infantry, to near the locks.

## SAID SITUATION VERA CRUZ HAS AT ENSENADA NO FEAR MAAS CRITICAL ATTACK

Such Was Report Flashed from  
Cheyenne—But Victoria  
Denies Riot  
Believe He is Chary of Ship's  
Guns—Normal Conditions  
Resuming at Port

SAN DIEGO, April 25.—The officers of the steamer Victoria arriving today from Ensenada denied the reports that the city was the scene of an anti-American riot. They say the American consul there became excited when he appealed for aid. The monitor Cheyenne is still at Ensenada. All Americans are reported safe.

### CHEYENNE DISCLOSED SITUATION AS CRITICAL

SAN DIEGO, April 25.—Official advice, flashed from the monitor Cheyenne at 4 o'clock yesterday afternoon, stated that while the situation was critical and that many threats had been made against the lives of foreign residents at Ensenada, none had been injured through irresponsible firing by the rioters. Under the protection of the guns of the Cheyenne and two boatloads of sailors, who escorted the Americans from the consulate to the boat landing, all who desired to go aboard the Cheyenne for transportation to San Diego embarked in one of the monitor's motor boats.

"A number of Americans," said the telegram, "have taken refuge on a ranch five miles outside Ensenada, where they have been reinforced by American ranchers and are protecting their position by intrenchments." No conflict took place between the American sailors and the Mexicans, the former being protected by the four-inch and smaller caliber rapid-fire guns of the monitor, which were trained upon the city immediately upon the arrival of the Cheyenne at Ensenada at 10 a. m. yesterday.

Telegraph Line Inactive  
The telegraph line that connects the Lower California capital with San Diego was severed during last night's riot, and up to a late hour all service was suspended. The British sloop of war Algerine is at Ensenada.

### CARDINAL FARLEY VISITS ROME

NEW YORK, April 25.—Cardinal Farley was to leave here today on the North German Lloyd liner Bremen for Naples, whence he will go to Rome on his regular quinquennial pilgrimage to the Vatican.

### GEORGETOWN STARTS TENNIS

WASHINGTON, April 25.—Georgetown University's tennis season opened today with Johns Hopkins University. A second match between the Baltimoreans and the Catholic University is slated for the 28th.

### SUFFRAGE DEMONSTRATIONS

WASHINGTON, April 25.—Demonstrations in every state in the Union were scheduled for today as showing the universal demand of the women of the United States for the passage of a constitutional amendment which will grant to women the right to vote. The country-wide demonstrations were to take the form of parades and mass meetings in scores of cities.

## GEN. FUNSTON HEADS 5TH BRIGADE

Four Transports Carried First  
Unit of U. S. Army on Start  
to Vera Cruz

### ARTILLERY COMPANIES REACH SAN YSIDORO

U. S. Supplies for Tia Juana  
Halted—Battery and Cavalry at Calexico

WASHINGTON, April 25.—Secretary of War Garrison announced yesterday that the Fifth brigade at Galveston, Texas, had boarded the four waiting transports and had sailed for Vera Cruz. The troops sailed on the four U. S. army transports McClellan, Meade, Kilpatrick and Sumner. Gen. Frederick Funston, commanding, with his staff, accompanied the expedition. The accommodations of the expedition are for about 4000 men, and 300 horses for the staff and the Fourth field artillery. The Fifth brigade is the first unit of the regular army to leave the border for Mexico.

### 2 ARTILLERY COMPANIES REACH SAN YSIDORO

SAN DIEGO, April 25.—Two companies of artillery from San Francisco Presidio joined the American forces at San Ysidro, opposite Tia Juana today, bringing two field and several machine guns. There are now 260 soldiers on the American side, to approximately twice that number on the Mexican side of the border. Capt. Condon, commanding at San Ysidro, has shut off all supplies consigned to Tia Juana from the American side.

### ARTILLERY BATTERY AND CAVALRY AT CALEXICO

CALEXICO, April 25.—One battery of the Sixty-first Coast Artillery, and Troop L of the First Cavalry, arrived here this morning and went into camp. All is quiet along the border. Last night Americans and Mexicans passed freely side to side. Los Angeles militiamen are doing guard duty.

### OREGON GOVERNOR ON ROADS IN OVERALLS

PORTLAND, Ore., April 25.—Probably 50,000 men of Oregon, clad in their oldest clothes, or overalls and jumpers, and with Governor West setting the pace, wielded picks, shovels and broadaxes today in the cause of good roads. While they leveled hillsides, filled ruts, cut away stumps and removed stones, thousands of women, eager to do their part, prepared and served lunches and hot coffee to the volunteer workers. Merchants, professional men, farmers and laborers rubbed shoulders as they sweated over their task, all class distinctions forgotten. The day was set aside as "Good Roads Day" by proclamation of Governor West, who asked that every citizen do his part in putting the highways of the state in the best possible condition. In many towns business was suspended, courts adjourned and schools dismissed.

### PRINCESS MARY 17 TODAY; SALUTES "FRED IN HONOR"

LONDON, April 25.—Salutes were fired and flags were hoisted on all government buildings today in honor of the seventeenth birthday of Princess Mary, only child daughter and third child of King George and Queen Mary. At Windsor bells were rung, and an artillery salute was fired from the Round Tower, while in St. James Park, London's battery of Royal Horse Artillery used up seventeen rounds of blank cartridges, before admiring crowds. The Princess received many presents. The donors were strictly limited to the royal family and intimate friends and attendants.

### SCHOOL AND CHURCH

WASHINGTON, April 25.—The relation of the school to child welfare was scheduled as the general topic for today's session of the International Child Welfare Conference. Mrs. Walter LeRoy Smith of Malden, Mass., reported on the Parent-Teacher department of the congress, and Dr. M. V. O'Shea of the University of Wisconsin reported on the Education department.

### HARVARD CARMEN MEET NAVY

ANNAPOLIS, Md., April 25.—Harvard's first and second crews are here today to race the naval academy eights. The Crimson was picked to win.

### EVA BOOTH IN WASHINGTON

WASHINGTON, April 25.—Commander Eva Booth of the Salvation Army will speak at a theater mass meeting here tomorrow.

# NEW BAPTIST CHURCH IS A \$50,000 INSTITUTION

## CONGREGATION A PIONEER IN RELIGION HERE

Handsome Structure Modernly  
Equipped for Great  
Work

Santa Ana, a city of homes,  
churches and schools, a name to be  
quoted with pardonable pride. When  
W. H. Spurgeon, the "father" of the  
city, sat on his horse in the year  
1878 and looked far out over the field  
of tall mustard, which he had just  
purchased for a song, did he see in  
his mind's eye a picture of the beau-  
tiful and cosy homes, the magnificent  
churches and splendid school build-  
ings which would people his acres?

A Step in Progress  
The city's churches especially are  
most remarkable structures for a  
city of the size of Santa Ana. They  
are costly, roomy and imposing as to  
architecture. The latest congrega-  
tion to become domiciled in a fine  
new church home is the First Bap-  
tist, pioneer church builders of the  
lovely valley, which first worshiped  
in a miniature frame building, later  
enlarging it to accommodate the fast  
growing membership and having the  
honor now to hold service in a \$50,-  
000 edifice, which would adorn the  
most metropolitan city.

Ten months since, the congregation,  
through its trustees, decided to erect  
the handsome building and a great  
amount of the necessary money was  
pledged by the members, who have  
all put their shoulders to the wheel  
and the immense undertaking has  
gone smoothly along. A feeling of  
sadness came over the old-timers,  
however, when the time came to pull  
down the old structure, inside whose  
walls had been witnessed many  
scenes both of joy and sorrow. But  
these feelings were replaced with  
gladness and pardonable pride as the  
walls of the new home arose in their  
beauty and the structure took tangi-  
ble shape.

Plans of a classic Ionic architec-  
ture were selected and the edifice  
proves to be one of the most digni-  
fied and substantial in the city, occu-  
pying as it does a central site on the  
corner of Main and Church streets  
and a splendid mate for the Spur-  
geon Memorial church, which occu-  
pies the western corner of Church  
street. A. E. Bird is the contractor  
and F. H. Eley, the architect.

There are four entrances to the  
church, which is one of its striking  
features and in keeping with the ele-  
gance and convenience noted through-  
out. All of the doors open outward,  
which is an item for public safety,  
and as they swing open seem to  
stretch out welcoming arms to those  
who would enter. A feature of the  
Main street entrance is the four tall  
and graceful pedestal lights, which  
at night throw their gleams far out  
into the darkness.

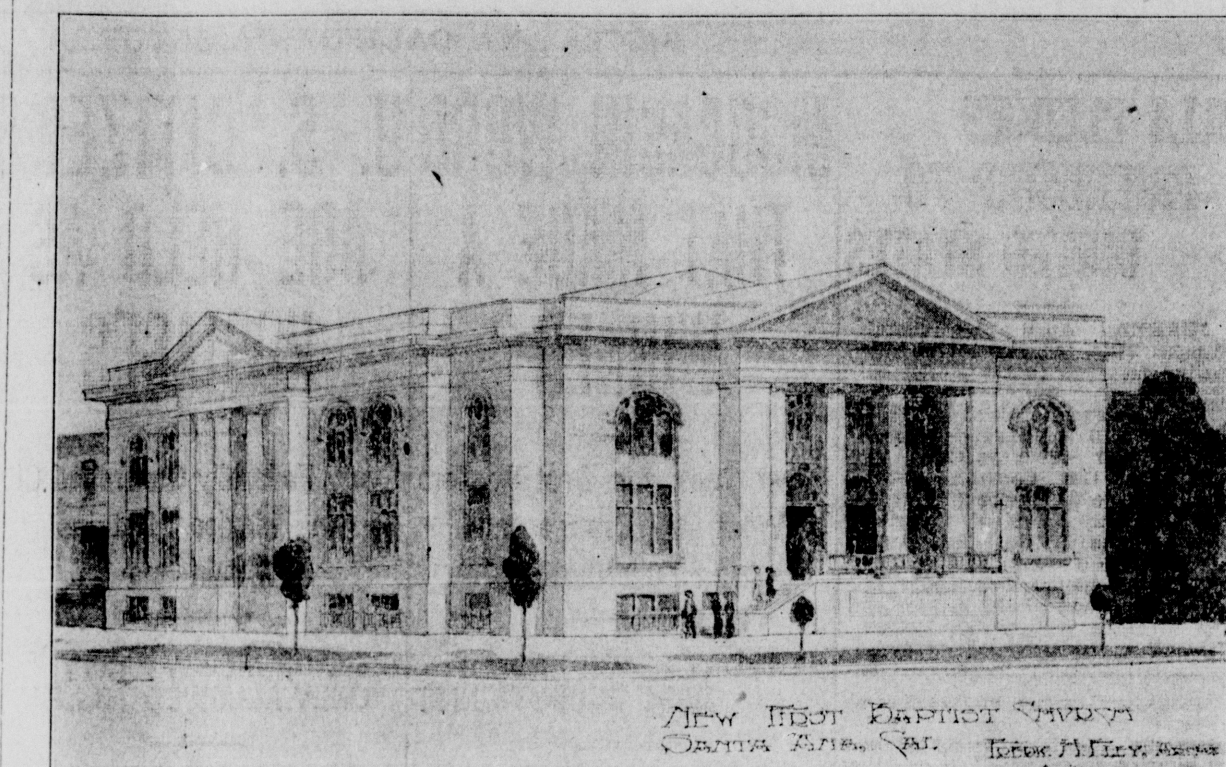

As one ascends the short, broad  
stairway and enters the main audi-  
torium, he is struck at once with the  
splendid arrangement. The audi-  
torium is fifty-two feet square and  
seats, including the balcony, exactly  
496 people. Should more space be  
needed, the huge sliding doors be-  
tween the auditorium and the cheer-  
ful Sunday school rooms can be rolled  
back and the two become one,  
the balcony extending around with-  
out a break, thus making capacity for  
nearly 1000 people. The massive  
doors can be swung by a child, al-  
though they weigh 1400 pounds.  
They are the finest made and the  
Coburn hangers upon which they  
are hung, can be obtained only in  
New York. The Sunday school room  
is forty feet square.

Other Departments  
The ladies' parlor is a long room,  
looking directly into the main audi-  
torium, and with the use of windows  
which lower, can be used in case of  
a large crowd. The ladies have been  
accommodated with a fine little  
kitchen, with all conveniences for  
serving light edibles. The door is  
arranged in sections, the lower part  
with a shelf upon which serving may  
be done. Off this compartment are  
also found lavatories and cloak room.  
The pastor has been provided with  
a cosy study, with built-in book cases;  
there are twenty-two nice class  
rooms, a choir room with music cabi-  
net, a robing room for the vested  
choir, dressing rooms off the cement-  
ed baptistry, which is another splen-  
did feature. The pulpit is so arranged  
that when the Sunday school  
rooms are utilized it can be moved  
so that all may have a view of the  
occupant. The choir is seated at the  
side with the huge pipe organ occu-  
pying a prominent position.

Lighting is obtained in the day  
time from numerous windows, many  
of them hand-some memorials and at  
night by myriads of electric lights, a  
combination art glass dome and ven-  
tilator surmounting the main audi-  
torium, the ceiling dome being also  
a memorial. The art glass work is  
very beautiful, artistic effects having  
been obtained in the handsome opal-  
escent windows.

The new chairs for the church  
have not arrived, but it is hoped they  
will be installed by the time set for  
the dedication of the edifice about  
the middle of next month. Comfort-  
able opera chairs, noisless, with  
frames of gun-metal finish and wood  
work of five-ply quartered oak, have  
been ordered.

The Basement  
Speaking the word basement does

PERSPECTIVE OF FIRST BAPTIST CHURCH, BUILT ON NORTH MAIN STREET, SANTA ANA

not usually give one the idea of a  
great deal of comfort; there is al-  
ways a sense of dreariness connected  
with the thought. But this is not  
the case in this new church with the  
exception of the space designated for  
the big Plenum heating and ventila-  
ting system, whose immense fans,  
pipes, etc., give one a sense of awe.  
This is one of the features which  
make for the complete comfort of  
those who occupy the structure  
either in summer or winter. The  
ventilators are placed directly under  
and back of the chairs. There are  
two large furnaces, heat being dis-  
tributed evenly by means of rotary  
fans. Two hundred and twenty out-  
lets have been provided for the main  
rooms. When the furnace is not in  
use cold air runs through the out-  
lets. It is claimed for the system  
that drafts are entirely done away  
with.

The kitchen and dining room are  
marvels of comfort and convenience  
and capable of taking care of the  
largest number the cooks may have  
to satisfy for some time to come.  
Those splendid sinks with hot and  
cold water and so many cupboards,  
serving tables, folding bread and  
cake tables, shelves and everything  
else imaginable, to make work most  
easy. The banquet hall measures  
fifty-two by sixty-eight feet and is  
provided with long tables and a mul-  
titude of chairs.

The kindergarten and primary de-  
partments occupy spacious apart-  
ments in the basement, immense  
blackboards making unique partitions.  
Here also is found a large cloak  
room with a sectioned door and fa-  
cilities for checking hats and wraps.  
The Baraca and Philathea classes  
are each provided with large quar-  
ters for which they have pledged  
handsome furnishings.

Taken as an entirety the church  
could hardly be more tasteful, con-  
venient and handsome, even with the  
expenditure of a sum larger than  
that apportioned for its construction.  
A. C. Black has been the church's pa-  
tient building inspector and has been  
right on the job every day to see  
that all was done according to speci-  
fications.

### THESE ARE THE PEOPLE WHO BUILT THE CHURCH

When the general public views a  
splendid edifice, beautiful in all its  
completeness, occupying an imposing  
site, many general remarks are made  
in admiration, but few there are who  
consider details and give credit to  
the individuals whose technical knowl-  
edge of each particular kind of la-  
bor makes it possible to assemble the  
whole. Even to the humble laborer,  
who begins on the foundation and pa-  
tiently, with his team, shovels out the  
soil to make place for the base-  
ment walls and the tolling hod car-  
rier, who goes back and forth hun-  
dreds of times, and the man who  
mixes the mortar, knowing just what  
proportions he must use to make the  
best material, up to those who in-  
stall the electric wiring, the paint-  
ing, the plastering, the art stone  
work, the lumber and mill work—all  
are of importance and all necessary  
for a complete and finished whole.

### F. H. ELEY, ARCHITECT, HAS MANY COMPLIMENTS

The First Baptist is certainly one  
of the most dignified and graceful of  
Santa Ana's churches, and to Fred-  
erick H. Eley belongs the credit for  
the beauty and solidity of its style.  
It is of the classic Ionic style, and  
its substantial columns one of its  
most attractive points. Mr. Eley's  
plans were accepted from a great  
number of first-class plans presented  
to the committee for the congrega-  
tion.

Mr. Eley is a young man, who has  
made a very enviable reputation for  
himself in Santa Ana, coming here  
a complete stranger some few years  
ago. His work can be found in fine  
buildings all over Orange county and  
features out of the ordinary make his  
plans always acceptable.

The young architect has been  
thoroughly trained in his work, be-  
ing an associate of the Royal Archi-  
tectural Institute of Canada.

### WIRING DONE BY ROBERTSON & PACKARD

One of the most important features  
in any building is the lighting, and  
while all the intricate work of wiring  
is hidden, everyone knows it takes ex-  
perts to plan it, carry it to a success-  
ful conclusion and for the safety of

the building from fire. How often do  
we not read in the papers of a costly  
fire, caused by "faulty electric wiring."  
Three hundred lights in the church  
make a splendid illuminating system.  
In the church this work was entrusted  
to Robertson and Packard, men  
who have spent many years in this  
work and during their three years of  
business in Santa Ana, have made for  
themselves an enviable reputation. J.  
G. Robertson came here from Mis-  
souri, was "shown," and remained  
here and his partner, W. O. Packard,  
was a former resident of Utah. Both  
men held responsible positions as  
managers of the electric light plants  
in their respective home towns.

The firm employs from six to eight  
men, all experts in their lines of work.  
Their motto is "prompt service." A  
fine line of beautiful fixtures is seen  
in their display room, from the most  
simple to the magnificent and costly  
ones.

Since the first of January, Robert-  
son & Packard have taken out 150  
permits inside the city limits, includ-  
ing the new Spurgeon building, the  
big concrete edifice on Spurgeon  
street, and many residences, large and  
small. Their work is also to be found  
in the new county buildings at the  
West Anaheim poor farm, the fixtures  
being supplied for the hospital.

Not only in Orange county does this  
firm operate, but does not hesitate to  
bid on the largest contracts any-  
where in Southern California. One of  
the biggest jobs now under way is  
the wiring and supplying the fixtures  
for the fine group of polytechnic  
school buildings at Inglewood. The  
Orange High also contains their work  
and they hold contracts at Alhambra  
and Corona.

Robertson & Packard succeeded W.  
E. Houston, who was in the electrical  
business here for some years.

### C. F. BATES WAS THE CEMENT CONTRACTOR

To Mr. Bates belongs the credit for  
much of the fine cement work to be  
found about the church. He built the  
smooth cement floor and the steps for  
the three outside entrances. His  
work has given the greatest satisfac-  
tion to Mr. Black, construction super-  
intendent for the church, and certainly  
adds much to the solidity of the  
new edifice.

Mr. Bates came here nearly four  
years ago, a complete stranger, and  
has built up such a business as to  
keep him "on the jump" all the time.  
He almost feels that he is now at the  
point where he does not have to ad-  
vertise. He has put in more than 100  
foundations in different parts of the  
city and some of the finest residences  
in the city rest on firm bases built by  
him. He employs from four to six  
men all the time and keeps them all  
well insured so that in case of ac-  
cident their families would be well pro-  
vided for.

### S. HILL & SON, PLUMB- ING AND HARDWARE

While this work is not so notice-  
able in a building as some of the  
other departments, it is truly most  
important and it is enough to say that  
in the case of S. Hill & Son were re-  
sponsible for all the galvanized iron,  
the work and hardware and plumbing,  
work entailing much care and a large  
outlay of money. The firm's work is  
seen on the roof, in the different  
lavatories throughout the buildings,  
in the numerous sinks for the conven-  
ience of the ladies and in the base-  
ment kitchen, where all sorts of ap-  
pliances have been installed.

Speaking of reputations, S. Hill &  
Son, the firm being composed original-  
ly of S. Hill, now deceased, and his  
son, G. P. Hill, who is still in charge  
of the business, established them-  
selves here twenty-eight years ago,  
when the town was decidedly young.  
Their business grew and grew and is  
still growing. They employ from  
twenty to thirty men all the time. The  
store covers 16,000 square feet of floor  
space and within these bounds can be  
found hardware, paints, stoves and  
ranges, galvanized iron and granite-  
ware, furnaces, wire cloth, barbed  
wire, wire netting, cistern pumps,  
hose, farming tools of all kinds, iron  
pipe and plumbing goods. It has the  
largest tin shop in Orange county.

One of the largest jobs ever car-  
ried out by S. Hill & Son was the  
work done in the three polytechnic  
high school buildings, the contract  
amounting to \$15,000. The firm will  
do the work in the new Myer building  
and has a big contract with the Tay-  
lor Canning Company, which is mak-  
ing extensive improvements. Other  
jobs include the German Lutheran  
Church at Orange, the Santa Ana Val-

ley Irrigation Company's building at  
the same place, the Register building  
galvanized iron work, the Santa Ana  
Bath House, and residences without  
number. The firm also has installed  
twelve Menlo furnaces.

### PENDLETON HANDLED LUMBER AND MILL WORK

All the lumber used in the big  
church was furnished by the Pendle-  
ton Lumber Company, which also put  
in all the interior finish, which has  
been greatly admired. In the pastor's  
study there are built-in book cases,  
in the choir room there is a handsome  
music cabinet, in the kitchen off the  
ladies' parlor there are the handsom-  
est of the cupboards, and in the base-  
ment there are all kinds of shelves,  
cupboards, folding bread and cake  
tables and numerous other conven-  
iences, all of which were fashioned  
by the clever hands and up-to-date  
machinery of the Pendleton mills. The  
big blackboards, which will be a great  
convenience and factor in the Sunday  
school work and at the same time  
serve as partitions, were also made at  
the mill.

This is also a pioneer firm of this  
city, S. H. Pendleton starting the  
business some twenty years ago. He  
has now passed away, but the name  
remains as a monument of the sterling  
business qualities of the founder. A.  
M. Gardner is now president and busi-  
ness manager and looks after the huge  
business of the concern. A. H. Pease,  
another fine business man, is vice-  
president and assistant manager.

In the office, mill and yards fifty  
men find steady employment through-  
out the year and all are experts in their  
particular lines, so that anything un-  
dertaken is sure to be carried right  
to its conclusion without a hitch. The  
work of the Pendleton yards can be  
found not only in Orange county but  
all over Southern California.

### STANDARD BRICK & TILE COMPANY, COLTON

SANDSTONE "ROKBRIK" made by  
the Standard Brick & Tile Co. of Col-  
ton, Cal., were used for facing. The  
substantial, pleasing, and dignified ap-  
pearance of the building proves the  
wise judgment of the architect, and  
the building committee in selecting  
"ROKBRIK." In no other way could  
they have produced anything to com-  
pare with the fine appearance and dur-  
ability of this building.

"ROKBRIK" are low in price, but  
they are a true face brick, with two  
faces on every brick, and absolutely  
uniform in size. The cost is less than  
half the price of any other face brick.  
They absorb very little moisture,  
and that very slowly. An eight-inch  
wall plastered on the inside will never  
show moisture on the inside of the  
building. This makes them ideal for  
residence construction.

A building made of "ROKBRIK" is  
cool in summer and warm in winter,  
because they are a non-conductor of  
heat or cold. Every possible objec-  
tion to brick as a building material  
for residence purposes is successfully  
overcome. They are free from stains,  
they continue to grow harder with  
age, and there is no limit to their life  
in the wall. We can see no reason  
why this brick should not become very  
popular as a building material.

### H. E. SMITH, THE CEMENT MAN, BUILT SIDEWALKS

The broad cement sidewalks which  
surround the church and add so great-  
ly to its appearance, are the work of  
that veteran cement man, H. E.  
Smith, the well-known supervisor  
from the First District.

Mr. Smith has been in business here  
for thirty-five years and when he be-  
gan to work here cement walks were  
few and far between, but if now the  
walks and retaining walls built by  
him were placed together they would  
make many miles of first-class thor-  
oughfare, for there is no better ce-  
ment contractor in California than  
H. E. Smith.

Not only does Mr. Smith contract in  
Santa Ana and Orange county, but all  
over Southern California. Many miles  
of walks have been put in in Bur-  
leigh and Hawthorne, suburbs of Los  
Angeles. Some of his largest con-  
tracts have been at Newport and  
stretch for miles. In Fullerton also  
they are pleased with his work.  
The contractor not only builds walks  
but retaining walls, cement floors of  
all kinds, tennis courts, cellar walls,  
etc. He employs none but the best  
workmen and materials and his prices  
are reasonable, consistent with good  
work.

## TO IMPROVE THEIR ROADS

Numerous Plans Are Made for Improvements in Rich Lands Section

(By Chas. E. Dixon in Huntington Beach News.)

An adjourned meeting of the Springdale Improvement Association was held at Wintersburg Monday night to perfect plans for the organization of a road improvement district and listen to the objections of persons owning property within the tentative boundary lines as outlined in last Friday's issue of the News. A large number of citizens were present, nearly all of whom took part in the friendly discussion that ensued. Those objecting to the tentative plans, who spoke, were: R. E. Larier, W. Kesemann, J. Barthole and H. S. Hazeltine. Those speaking for the plans were: Chas. E. Dixon, W. T. Vandruif, L. E. Van Winkle, Geo. W. Moore, W. E. Gerhart and J. J. Graham. W. E. Chison favored taxing the land for one-half mile on each side of the roads to be improved, but that plan was thought to be

too expensive. D. F. Sharratt spoke in favor of the good roads and asked several questions that showed he had given the matter much thought. His questions were answered by the secretary, who had gathered considerable valuable information on the subject of good roads. T. B. Talbert said that it was up to the association to ascertain what it desired and then he would aid all he could in obtaining its wants. Bloomer Crane spoke in favor of graveling all of the roads. Others speaking on the subject were: Frank Ulrich, Earl Farrar, John Kettler, Sherman Buck and Geo. H. Crane.

J. J. Graham proposed the enlarging of the district and improving the Shaffer road which was advocated by H. S. Hazeltine. W. Kesemann, J. Barthole, R. E. Larier and others, John Kettler desired the Smeltzer road to be extended further west. Mr. Hazeltine then made a motion to take a vote as an expression of opinion on an enlarged district and the improvement of additional roads as follows:

Additional roads to be improved were one-half mile further west on the Smeltzer road and the Shaffer road from Mallett's corner to the county highway at Westminster and the district was enlarged to take in the territory bounded by the county highway from the Smeltzer road to the Westminster road, thence west to the Rancho Las Bolsas Chico, thence along the grant line to the Pacific ocean. A standing vote was taken which showed 24 in favor of and none against the plan. Chas. E. Dixon then made a motion that the association request the Board of Supervisors to declare a Road Improvement District as outlined above for the purpose of improving the aforesaid roads. The motion carried unanimously and the president appointed a special committee consisting of Earl Farrar, John Kettler and Chas. E. Dixon to prepare the necessary papers and present them to the Board of Supervisors.

Much joking and laughter were indulged in and what seemed to be unalterable opposition changed into a compromise conclusion which seemed to suit all concerned.

The president appointed his standing committees as follows: Electricity—A. Rueff, Frank Ulrich and C. H. Maddux. Drainage—Sherman Buck, A. D. Cleaver and A. H. Moore. Coast Road—Chas. E. Dixon, Chas. J. Andrews and John Kettler. Good Roads—Earl Farrar, F. J. Mallett and John Graham. Transportation and Railroad Fares—D. F. Sharratt, C. Nelson and W. T. Vandruif.

NORTH WHITTIER HEIGHTS

Quantity and Quality is What

You can produce at North Whittier Heights

Orange, Lemon, Grape Fruit, Walnut

and Avocado Land Subdivision

The quantity and quality of oranges, lemons, grape fruits or walnuts produced in any of the orchard sections of California and the cost of production naturally determines the market value of that particular section.

The necessary combination of soil, water and climatic conditions for growing "citrus groves that pay" can only be found in limited amounts in Southern California. In purchasing either unplanted lands for developing citrus groves, or the groves themselves, buy the best—they are the cheapest.

The North Whittier Heights subdivision is being sold in unplanted tracts of 5, 10, 15, 20 and up to 50 acres in size and on easy terms if desired. We also have a few choice 5, 10, 15 and 20 acre tracts of one year Valencia orange, Eureka lemon and Marsh seedless grape fruit groves which are now offered on the market, also some 5, 10, 15 and 20 acre subdivision of budded softshell walnuts of the Placencia Perfected variety.

If you are in the market for a choice orchard property, and which is also a most desirable location for a suburban home, you owe it to yourself to see North Whittier Heights before buying elsewhere. We know that if you once see the property you will desire a portion for yourself.

We shall be pleased to have you call at our office so we can take you out by automobile to see this choice property.

TO IMPROVE THEIR ROADS

Numerous Plans Are Made for

Improvements in Rich

Lands Section

(By Chas. E. Dixon in Huntington

Beach News.)

An adjourned meeting of the

Springdale Improvement Association

was held at Wintersburg Monday

night to perfect plans for the organiza-

tion of a road improvement district and

listen to the objections of persons own-

ing property within the tentative bound-

ary lines as outlined in last Friday's

issue of the News. A large number of

citizens were present, nearly all of

whom took part in the friendly discus-

sion that ensued. Those objecting to

the tentative plans, who spoke, were:

R. E. Larier, W. Kesemann, J. Barthole

and H. S. Hazeltine. Those speaking

for the plans were: Chas. E. Dixon,

W. T. Vandruif, L. E. Van Winkle,

Geo. W. Moore, W. E. Gerhart and

J. J. Graham. W. E. Chison favored

taxing the land for one-half mile on

each side of the roads to be improv-

ed, but that plan was thought to be

too expensive. D. F. Sharratt spoke

in favor of the good roads and asked

several questions that showed he

had given the matter much thought.

His questions were answered by the

secretary, who had gathered consid-

erable valuable information on the

subject of good roads. T. B. Talbert

said that it was up to the association

to ascertain what it desired and then

he would aid all he could in obtain-

ing its wants. Bloomer Crane spoke

in favor of graveling all of the roads.

Others speaking on the subject were:

Frank Ulrich, Earl Farrar, John Ket-

tler, Sherman Buck and Geo. H. Crane.

J. J. Graham proposed the enlarg-

ing of the district and improving the

Shaffer road which was advocated by

H. S. Hazeltine. W. Kesemann, J.

Barthole, R. E. Larier and others,

John Kettler desired the Smeltzer

road to be extended further west. Mr.

Hazeltine then made a motion to take

a vote as an expression of opinion

on an enlarged district and the improv-

ement of additional roads as follows:

Additional roads to be improved

were one-half mile further west on

the Smeltzer road and the Shaffer

road from Mallett's corner to the

county highway at Westminster and

the district was enlarged to take in

the territory bounded by the county

highway from the Smeltzer road to

the Westminster road, thence west

to the Rancho Las Bolsas Chico,

thence along the grant line to the

Pacific ocean. A standing vote was

taken which showed 24 in favor of

and none against the plan. Chas. E.

Dixon then made a motion that the

association request the Board of

Supervisors to declare a Road Im-

provement District as outlined above

for the purpose of improving the

aforesaid roads. The motion carried

unanimously and the president ap-

pointed a special committee consist-

ing of Earl Farrar, John Kettler and

Chas. E. Dixon to prepare the neces-

sary papers and present them to the

Board of Supervisors.

Much joking and laughter were

indulged in and what seemed to be

unalterable opposition changed into

a compromise conclusion which seem-

ed to suit all concerned.

The president appointed his stand-

ing committees as follows: Electric-

ity—A. Rueff, Frank Ulrich and C. H.

Maddux. Drainage—Sherman Buck,

A. D. Cleaver and A. H. Moore. Coast

Road—Chas. E. Dixon, Chas. J. An-

drews and John Kettler. Good Roads

—Earl Farrar, F. J. Mallett and John

Graham. Transportation and Rail-

road Fares—D. F. Sharratt, C. Nel-

son and W. T. Vandruif.

NORTH WHITTIER HEIGHTS

Quantity and Quality is What

You can produce at North Whittier Heights

Orange, Lemon, Grape Fruit, Walnut

and Avocado Land Subdivision

The quantity and quality of oranges, lemons, grape fruits or walnuts produced in any of the orchard sections of California and the cost of production naturally determines the market value of that particular section.

The necessary combination of soil, water and climatic conditions for growing "citrus groves that pay" can only be found in limited amounts in Southern California. In purchasing either unplanted lands for developing citrus groves, or the groves themselves, buy the best—they are the cheapest.

The North Whittier Heights subdivision is being sold in unplanted tracts of 5, 10, 15, 20 and up to 50 acres in size and on easy terms if desired. We also have a few choice 5, 10, 15 and 20 acre tracts of one year Valencia orange, Eureka lemon and Marsh seedless grape fruit groves which are now offered on the market, also some 5, 10, 15 and 20 acre subdivision of budded softshell walnuts of the Placencia Perfected variety.

If you are in the market for a choice orchard property, and which is also a most desirable location for a suburban home, you owe it to yourself to see North Whittier Heights before buying elsewhere. We know that if you once see the property you will desire a portion for yourself.

We shall be pleased to have you call at our office so we can take you out by automobile to see this choice property.

Call, write or phone for information and descriptive folder containing map of Southern California.

### THE HAPPIEST WOMEN

We may not envy the very rich men because we know that perhaps of all classes they have the hardest work, the heaviest strain, the most worry and the least enjoyment. The instinct for accumulation, being purely animal, overwhelms and deadens the finer senses through which riches may be enjoyed.

But we do envy the rich men's wives and daughters, who need strive for nothing, but have freely poured into their laps all their hearts may desire. And just there we are mightily in error. The unhappiest, most restless women in this land are the idle wives and daughters of rich men.

It is true they have their fine houses, their carriages and automobiles, their fine gowns, their magnificent jewels, their stately calls upon one another, their grand dinners, their brilliant receptions, and all that.

But it is all a veneer. It is not happiness, but only a pretense of it—an extravagant attempt at imitation of it. The great mass of women without wealth, who work in their homes, rear their children themselves, cook the meals, mend the clothing and do the thousand and one unending tasks of the housewife need not envy those glittering butterflies of fashion.

The envy should be on the other side—and it is.

The happiest women in the world are the working ones; not overtaxed drudges, whose lives are necessarily miserable, but the busy women whose time and minds and hands and hearts are occupied in making the home happier and life for those about them sweeter.

Happiness must come from within; and it is no more than a pretense that the best satisfaction comes of service performed faithfully for loved ones—service that requires thought and effort and application.

To put a fine gown upon a girl accustomed to nothing else since babyhood is to give no more real satisfaction to her than would be given to a doll by the same process. But the pretty dress bought by a girl with her own earnings means a triumph and a joy as sweet as the human heart can know. That dress is a part of the girl herself. It stands for her brains, her soul, her blood. It marks an epoch in her life. It is the happy culmination of happy usefulness.

There is one great cure for the restlessness and discontent of women. It is in common-sense application of mind and heart to useful work. Other remedies may seem effective for a time, but this one is effective always.

## THE INDIANA MOTHERS' BABY BOOK

State and municipal health officers are realizing more and more that one of their most important duties is to teach the public, and that instruction, if properly given, is much more effective than coercion without instruction. The majority of persons are not only willing but also anxious to do what is right if they know what they ought to do, and especially if they are shown why they ought to do it.

The first development of public health administration was in the direction of compulsory laws forbidding certain actions, and requiring others. These, too often, were enacted from the best of motives, and based on sound scientific knowledge, either were in advance of public opinion or were passed without any effort to develop public sentiment to support them. While often effective in the hands of an energetic and capable health officer, they have been in many cases dead letters and in others enforceable only at the cost of an enormous amount of effort, which might better have been utilized in other directions. The leading state health organizations at present are endeavoring to increase the education and enlightenment of the public, and to create public sentiment for the enforcement of such health regulations as may be necessary.

One of the strongest exponents of this doctrine is the Indiana State Board of Health. Through its bulletin and through the newspapers of the state, most of which are hearty supporters of the board, an effective educational campaign has been carried on. Realizing that nothing so appeals to the average man and woman as do efforts to save the lives of babies and prevent needless illness among infants, the secretary of the board, Dr. J. N. Hurty, asked the state legislature last year for an appropriation of \$5000 for the publication and distribution of "The Indiana Mothers' Book."

True to the instincts of the average legislator, the lawmakers cut this amount down one-half, and probably would have refused it altogether had not Dr. Hurty called attention to the fact that the same legislature had already appropriated a larger amount of money to stamp out hog cholera. Owing to the limited amount appropriated, the state board can send copies of this book only to the Indiana mothers who have just borne their first child.

Beginning last month, when the birth reports of the state for February were received by the secretary of the state board of health, the distribution of the book in this way was begun. The polite and starchy world of the ball room has been in confusion. The old term "dancing master" seems inappropriate now, for the pupils have driven that potentate from his throne of authority while they have ruled the school, dancing anything and everything that seemed pleasing to them. Meanwhile the baffled teachers have striven to refine and prune the tangos and maxixes to meet the protests raised on aesthetic and moral grounds.

Being a baseball hero may not be so spectacular as being a Mexican general, but it is more healthful and the meals are regular.

It would certainly be tough if a parcel post egg shipment were sent to the Dead Letter Office.

## DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

Sage Tea and Sulphur Darkens So Naturally that Nobody Can Tell

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Weyl's Sage and Sulphur Hair Remedy," you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy.—Advertisement.

## EAST NEWPORT NEWS BUDGET

EAST NEWPORT, April 25.—Mrs. B. H. Hurd and daughter, Miss Frances Hurd, who have been spending the winter months in Los Angeles and Riverside, returned the early part of the week, and will occupy their home on Lindo avenue for several months.

Mr. and Mrs. A. L. Woodhill, Mrs. S. E. Woodhill and James Brown have returned to their home in Riverside after spending several weeks in their cottage on Surf avenue.

Mr. and Mrs. Robert P. Wilson are her from Rialto, and are guests at the home of Mr. and Mrs. W. W. Wilson. Mrs. James V. Carroll and little son, James, Jr., left Thursday for Riverside to spend a few days at the home of Mr. and Mrs. J. W. Carroll.

Mrs. J. A. Cole was here from San Bernardino over the past weekend, occupying her home on Surf Ave. Mrs. W. Lionel Roberts left Sunday morning for San Francisco where she will be the guest of friends for the next two weeks.

Mrs. F. P. Burnham and her cousin, Mrs. W. L. Sears, are here from Los Angeles for a week's time, opening the Burnham cottage on Buena Vista boulevard, for the summer.

Mrs. O. Olson, accompanied by her little daughter, is occupying the summer cottage of her brother, Dr. Soland, on Island avenue, for a few days' outing.

Mr. and Mrs. S. S. Wold have returned to Pasadena, after spending several days in their summer home on Bay Island.

Mrs. S. R. Jumper and daughter, Mrs. Wm. Morton, left Sunday for the Yucaipa Valley, to spend the week.

Strengthens Weak and Tired Women  
"I was under a great strain nursing a relative through three months' sickness," writes Mrs. J. C. Van De Sande of Kirkland, Ill., and "Electric Bitters kept me from breaking down. I will never be without it." Do you feel tired and worn out? No appetite and food won't digest? It isn't the spring weather. You need Electric Bitters. Start a month's treatment today; nothing better for stomach, liver and kidneys. The great spring tonic. Relief or money back. 50c and \$1.00 at your druggist.—Advertisement.

AQUEDUCT ABOUT COMPLETED  
Large quantities of pipe of many sizes have been used for temporary lines. This pipe is now being unloaded at Mojave, and is for sale. There are approximately 50,000 feet of each of the following sizes: 1 and 2 inch St.; 3 1/4 inch, 2 1/2 inch, 4 inch O. D. casing. All material used in the Aqueduct was of the very best, and consequently this pipe is of the very best grade, and anyone at this time desiring pipe, or even in the market for pipe in the future, will save a great deal by taking advantage of the prices at which this pipe is offered. Shipments can be made to any point from Mojave, in carloads or less, as we have a rate on this pipe. The AQUEDUCT PIPE COMPANY has the handling and distributing of this pipe. Write or telephone for our prices at once, and get a big discount. 1327 West Seventh St., Los Angeles, Cal. Phone Wilshire 1315.

## SCHOOL ENTERTAINMENT

Jefferson School Presented a Splendid Program Before Pleased Audience

The pupils of Jefferson school certainly presented a splendid program last night at the intermediate school auditorium.

To pick out any one number and credit that one, would be doing the rest an injustice, but special mention must be made of the kindergarten orchestra with its enthusiastic leader wielding her baton like a grown-up.

The receipts speak for the audience as somewhat over \$37 came into the treasury. Parents, teachers, pupils, patrons and friends, all seemed to do their part to make of the evening a grand success.

The program included songs by the sixth grade, (a) Wake to the Hunting, (b) Santa Lucia, (c) Jolly Students; kindergarten band exercise; recitation, "Brother's Pants," Miriam Baird; Brownies Dance, first grade; Lullaby, fourth grade; French Mechanical Dolls, second grade; instrumental solo, Frances Shepherd, sixth grade; song, "The Bluebirds," fifth grade; recitation, "For the Chief's Daughter," Mary Geyer, fifth grade; song, "The Jolly Whistlers," fifth grade; Japanese love song, third grade; recitation, "My Pa," Judson Stevens, fourth grade; songs by the fourth grade, (a) Brahms' Cradle Song, (b) Merry Plowboy; Kate Grenaway Dance, fifth grade; Grandmother's Tea Party, fourth grade; song, "There's No Land Like Ours," fourth, fifth and sixth grades.

## Reception for Bishop

Bishop Johnson is expected to be here on Thursday, April 30, and the members of the Church of the Messiah have planned a reception for him, to be held at Parish Hall on the afternoon of that day from 3 to 5 o'clock.

A service and sermon will be conducted by the Bishop in the evening following the afternoon reception.

## Entertains College Friends

The G. P. Hill home, 1192 Spurgeon street, is the scene of a pleasant weekend house party, Miss Nellie Hill having invited three present and former Redlands University girls to the parental home for over Sunday. Miss Hill and her friends, Miss Rose Foote, Miss Iva Parmelee and Miss Flora Lambert, arrived in Santa Ana last evening. The party was augmented today by the arrival of Miss Lucy Hill from Los Angeles Normal.

## Pleasant at Home Planned

Mrs. W. R. Sylvester of 424 East Pine street will give an "at home" on Tuesday afternoon, April 28, from 3 to 5 o'clock. A program will be rendered and refreshments will be served. The affair will be given under the auspices of the Parent-Teacher Association of Roosevelt school, and the proceeds will be devoted to school uses. All members and friends are cordially invited to be present.

Mrs. Sylvester will be assisted by Mrs. Fred Winslow and Mrs. R. W. Beau. The affair promises to be one of great interest and is the first of a planned series of social happenings under the Association auspices.

## Class Reunion

The following members of 1911 graduating class of McKinley school were entertained recently at the home of Hazel Benus in honor of Miss Jewell Futrell, who is visiting Santa Ana: Misses Della Wright, Lottie Morris, Orlena Martin, Jewell Futrell, Olympia Burrall, Lottie Wallace, Lena Mocho, Mrs. Warne, nee Dora Milligan, and Messrs. E. C. Lacy, Eddie McGaffey, Pete Duhart, Glenn Claver, LeRoy Clapp, Antonio Barrios, Ralph Coffin, George Wells, James Scudder, J. P. Sebastian, Frank Fowler, Leonard Elbert, Wm. Sebastian, Clay Minnix and Herschel Clayton. Refreshments, games and refreshments whiled away the pleasant evening.

## HANDSOME WINDOWS FOR MEMORIALS IN THE NEW CHURCH

Of further interest to those who will peruse the splendid write-up of the new First Baptist church, which appears on another page of the Register today, is a list of the beautiful windows, which have been placed by relatives in memory of their deceased loved ones, and by the different classes as monuments of their work.

Three of the windows were placed in the old church and removed to the new edifice. One was given by Mrs. G. W. Minter for her mother, Mrs. Berry; one by Carey R. Smith for his father and mother, and the other by G. W. Hubbard in memory of his wife.

Of the new windows, A. C. Black has put in one for Deacon and Mrs. Borden; Mrs. Will Crawford for her husband; Mrs. Peter Wedell for her father and mother and Dr. Cole, Misses Louise and Ruth Smith put in the beautiful lighting dome in memory of their father and mother, and gifts of windows were given by the Phila-thea, Baraca and the women's and men's classes of the church.

These beautiful windows add greatly to the charm of the structure.

## Santa Anans Judged Contest

Mrs. G. P. Hill, county superintendent of W.C.T.U. medal contest work, with Miss Winifred Roberts, Miss Hazel Benus and S. M. Davis, motored to Anaheim last evening to be present at a Matrons' Silver Medal contest given under the auspices of the Anaheim W.C.T.U. at Fremont school. In her capacity of medal contest superintendent, Mrs. Hill made brief introductory remarks explaining the nature of the work and its methods, and the other Santa Anans acted as judges, awarding the medal to Mrs. Harry Jayne of Anaheim. There were seven contestants and the readings were so well and evenly presented that it was difficult to reach a decision. Mrs. Hill gave high praise to the contestants, saying she had never attended a contest of such uniform excellence. The room was well filled with interested auditors and the contest added another to the splendid list of silver medal contests held in Orange county.

## At Business College

Stewart Perkins, who has been attending Orange County Business College during the past three months, left with his grandparents, Mr. and Mrs. Chas. Perkins, for his home in Newark, N. Y., today.

Mr. Eugene Reif entered Orange County Business College last week for a six months' course in stenotypy, "the machine way in shorthand."

Mr. Orlan A. Lewis, principal of Olive public schools, is studying stenotypy at Saturdays in Orange County Business College, preparatory to teaching same in the public schools next year. Mr. Lewis believes in being in on the "ground floor," so to speak, stenotypically.

Mr. Leon Dickey of Santa Ana Furniture Company entered Orange County Business College night school this week.

## At the Warren Home

The Sabbath school class of Mrs. Lea Warren, of the United Presbyterian church, was entertained last evening at the home of Mrs. Warren, 814 Parton street, by the losing side in a contest recently closed. The winners were entertained with games and had a jolly good time through the entire evening. Material for making May baskets was furnished, and the sixteen girls present vied with each other as to who would have the best made basket. Some

very unique and pretty baskets were made. After the baskets were finished a candy hunt was announced, and soon the girls were busy outside and inside of the house searching for the hidden sweets. After the candy hunt, ice cream, sherbet and cake were served.

The members of the class who were present were: Vivian Cox, Ada Hoy, Flora McFadden, Viridelle Breckinridge, Mary Lerrage, Phillis Baker, Elsie Fluor, Golda Robertson, Carolyn Finley, Naomi and Rachel Reedy, Ruth Smith, Gladys and Sylvia Shields, Edna Copeland. A number of other guests were present, who, with the girls, all enjoyed the pleasant evening, congratulating those who had entertained them so pleasantly.

## Taffy Pull

The King's Daughters of the first Methodist Sunday school were entertained yesterday evening at the home of their teacher, Mrs. R. H. McArthur. The girls won the treat by being present on time at Sunday school for a month. The time was very pleasantly spent in games, contests and music until the taffy was ready to pull, and then there was no need of further entertainment. The class greatly regretted that two of its number were detained at home on account of ill health.

During the evening plans were made for a contest to increase the membership of the class, and also for a sale in the near future of home-made ice cream and cake, to raise money to meet the class pledge towards the building fund of the church.

The decorations were white carnations, roses and pansies. The teacher served light refreshments and the girls went home carrying flowers and taffy.

## Shiloh Circle Meets

Shiloh Circle, Ladies of the G.A.R., held its regular meeting on Thursday with an excellent attendance. An application for membership was received. Plans were made for the attendance of delegates to the annual convention of the order to be held at San Diego May 5-8. Mrs. Jora Martin, president of the local circle, and Mrs. Lovisa Leslie, as an elected delegate, will represent the Shiloh Circle. Mrs. Martin and Mrs. Leslie will leave here for San Diego on May 4.

## For Miss Amy Bent

Miss Hattie Powers and Miss Jessie Wilkie entertained on Wednesday evening in honor of Miss Amy Bent, who is to be a May bride, the affair taking place at the H. P. Powers home on East Fifth street. Pink and white roses were used in decorations. Miss Bent, Miss Imogene Tillotson and Miss Cora Bell sang vocal numbers, the music being followed by a china shower, the gifts being carried in a heart and tissue paper-adorned basket into the living room where the company was assembled.

A supper was served later, a mound of roses being the centerpiece, ribbons of pink and streamers of sash adorned chandelier and table. Place cards, attached with Cecil Bruner roses and pink ribbon bows, to the ribbon streamers, marked covers for Misses Bent, Tillotson, Bell, Helen Billingsley, Juanita Whitlits, Mabel Blodgett, Fannie Powers, Minnie Wild, Bertha Bell, the hostesses; Messrs. Walter Sutton, E. T. Braunton, Berry, Dunning, Bent, Billingsley, Wilkie.

## "Two in One" Class

The "Two in One" class of the First Methodist Sunday school met last evening at the home of Mr. and Mrs. Geo. Calkins, 416 Cypress avenue.

Plans were completed for bringing the Occidental College Girls' Glee Club to the First Methodist church Friday evening, May 1. Many games were played and a good time was enjoyed by all, after which delicious refreshments were served by the hostess, Mrs. Calkins being assisted in entertaining by Mrs. H. C. Morgan.

## Pupils' Recital

Mrs. A. J. Padgham gave a delightful pupils' recital at her home, 208 Ninth street, on Thursday afternoon at 4 o'clock. She read an instructive paper on "Programme Music," and gave the musical interpretation of the pieces on the program, which added much to the pleasure of the afternoon. The program was as follows:

Evening Star (Wagner), Miriam Kraft; "Good-bye My Highland Lass" (Labitzke), Edith Lutz; "Rustle of Spring" (Sinding), Margaret Tingley.

"Invitation to the Dance" (Weber), Ruth Andrews; "The Apple Tree Swing" (Spencer), Rebecca Joplin; "The Hard Girl's Dream," Marion Doyle; Pan Pastoral (Godard), Mildred Marchant; Valse (Godard), Grace Smiley; "By Moonlight" (Bendel), Roberta Dawes.

Miss Winifred Roberts gave two readings in her charming manner, accompanied by Mrs. Padgham. Miss Johnston assisted by playing in a finished manner the Spinning Song by Mendelssohn.

## Among Dancing Party

One of the most enjoyable affairs of the season was the dancing party at the Armory last evening. The guests numbered about forty couples, all of whom indulged in the pastime until long after the midnight hour. The Williams School for Dancing, under the auspices of which the party was given, is very enthusiastic over the success of the affair. "Sid" Prules furnished the music, which was much enjoyed by all present.

# Personals

# COUNTRY CLUB CONTRACT IS SIGNED TODAY

Work of building the club house of the Orange County Country Club will commence immediately. A contract was signed this morning by Charles Twist, George B. Shattuck, president and secretary, respectively, of the club, C. M. Jordan, builder, and J. Flood Walker, architect. The two latter are also members of the club, so that the entire work of planning and executing the plans for the club building will be done by men directly interested.

The directors of the Country Club are working in entire harmony. The plans as prepared by Architect Walker will be carried out without the change of a single detail.

It is practically assured that the club house will be ready for occupancy in ninety days time.

## HAVE ADDED TAILORING DEPARTMENT TO STORE

With the view to giving their patrons the best possible service, the Hill, Carden & Company's clothing store has added a tailoring department, which is now in charge of a first-class tailor. In future all alterations, fitting and pressing will be done in their store, by their own tailor.

## OBITUARY

James H. Patterson was born on October 31, 1834, in Augusta county, Virginia. He moved to Mt. Pleasant, Iowa, in 1842. In September, 1861, he responded to the president's call for soldiers and enlisted in the Fourth Iowa Cavalry, Company C.

On Oct. 8 he was united in marriage to Mary F. Wallace. In 1864 they removed to Winfield, Iowa, removing from there to Santa Ana, Cal., in 1904. He died in Santa Ana, Cal., April 12, 1914. Mrs. Patterson passed away on Nov. 4, 1910. The following children survive: Mrs. Ann Sedgewick, Santa field, Ill.; William W. Patterson, Winfield, Ia.; J. M. Patterson, Huntington Beach, Cal.; John H. Patterson, Santa Ana, Cal.; Miss Esther Patterson, Santa Ana, Cal.

Mr. Patterson lived an eminently useful life. He was a fine type of intelligent, patriotic citizenship. In home, church and state he ever stood for those things that make for rightness. From the old home in Virginia to the Pacific coast he left an unstained record of righteousness and his goodness shall live after him.

# "CASCARETS" ALWAYS STRAIGHTEN YOU UP

When Constipated, Headachy, Bilious, Stomach Sour, Breath Bad

Get a 10-cent box now. You men and women who can't get feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel worn out.

Are you keeping your bowels clean with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil?

Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.—Advertisement.

## ENGAGEMENT RINGS

# DIABOLICAL PLOT PROVES FALSE ALARM

What was at first thought to be a deep, diabolical plot on the part of a Mexican to blow up a section of the Santa Fe track about a mile and a half to the south of the station, was discovered upon investigation to be a false alarm, though, to say the least, what was found was somewhat suspicious-looking, owing to the fact that it was generally known that the troop train was to pass through here last night. E. C. Martin, of 1176 Chestnut avenue, was at work harrowing on his place when he saw a tall young Mexican doing some digging on the track about 200 yards west of the McClay street crossing. Martin thought nothing of it at first, believing that the Mexican was a section hand. Later, however, Martin became suspicious and called up the Santa Fe about 1 o'clock. Santa Fe officials made post haste to the spot and searched the premises. They found that a small hole had been dug under one of the ties and that this hole had been covered with earth. Careful examination and digging brought to light—a cigarette stub.

Rumors have been stealing about town to the effect that A. E. Hawley's gun store has been selling large quantities of guns and ammunition to local Mexicans since the beginning of the present war scare. Asked about it today, Mr. Hawley said: "I haven't sold a gun or a rifle to a Mexican this year."

Today a Mexican tried to buy ammunition for a small rifle. He was refused at Hawley's and Hill & Walker's.

There have been a good many groundless rumors going around concerning what the local Mexicans are doing. Local authorities are watching the situation carefully.

## Spring Laxative and Blood Cleanser

Flush out the accumulated waste and poisons of the winter months; cleanse your stomach, liver and kidneys of all impurities. Take Dr. King's New Life Pills; nothing better for purifying the blood. Mild, non-gripping laxative. Cures constipation; makes you feel fine. Take no other 25c. at your drug store. Bucken's Arnica Salve for All Hurts.—Advertisement.

# WHERE TO WORSHIP

**First Christian Church**  
Corner of Sixth and Broadway, Paul Wright, pastor.  
Bible school begins promptly at 9:45; morning worship and communion at 11. The pastor will speak upon the subject: "Watchman, What of the Night?"  
Young People's meeting at 6:30. Evening service begins at 7:30. The subject for the evening is "The Innovations of Jesus."

**First Congregational Church**  
"The Sins That Crucified Jesus—Were They Judean or American?" will be the subject of the sermon at the morning service. "The War With Mexico in the Light of the Sermon on the Mount" will be the subject in the evening.  
In the morning the quartet will sing: "Oh, Clap Your Hands," by Stainer, and in the evening, "Abide With Me," by Barnby. Gospel song service before the address in the evening.

**First Presbyterian Church**  
The pastor will preach at both services. Topics: "The Divine Dynamic" and "The Danger of Drifting." The Sunday school and C. E. societies will meet at the usual hours.

**First Methodist Church**  
Corner Sixth and Spurgeon, Edwin J. Inwood, pastor.  
Sunday school, 9:30; morning worship, 11 o'clock; sermon by the pastor. Special message to children; subject: "The Boy With Five Barley Cakes." A class of boys and girls who have been under the instruction of the pastor will be received into the church at this service.  
Morning anthem, "The Lord is Exalted" (West); Junior League, 3:30 p.m.; Epworth and Intermediate Leagues at 6:30.  
Evening service at 7:30. The pastor will speak on "The Teaching of Jesus." The theme tomorrow night will be: "Christ's Teaching About the Future Life." What does Christ have to say about Soul Sleeping? or about a Second Probation? The following Sunday will be considered the theme: "What Does Christ Teach About the Present Life?" If not attending elsewhere you are invited to attend these services.

**Reformed Presbyterian Church**  
The pastor, G. N. Greer, will preach morning and evening. Subjects: "Characteristics of Christ's Disciples," and "Blind Bartimeus." Sabbath school, 10 a.m.; C. E., 6:30.

**St. Joseph's Catholic Church**  
Corner F and Stafford streets, Monsignor H. Eummelen, pastor.  
Masses tomorrow at 8 and 10 a.m.; Sunday school at 9 a.m.

**First Baptist Church**  
Corner Church and Main streets, Pastor, Otto C. Russell.

## BREATHE FREELY! OPEN NOSTRILS AND STUFFED HEAD—END CATARRH

Instant Relief When Nose and Head are Clogged from a Cold. Stops Nasty Catarrhal Discharges. Dull Headache Vanishes.

Try "Ely's Cream Balm."  
Get a small bottle anyway, just to try it. Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fra-

grant balm dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately. Don't lay awake tonight struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucus dropping into the throat, and raw dryness is distressing but truly needless. Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear. Advertis-

## LOS ANGELES PRODUCE MARKET

Little interest is being shown in dried fruits with the arrival of the new fruits, but the market is holding firm on all varieties and advances on a number of dried products are reported in the East, which has the effect of making a steady market here. Reports on the prune crop are only fair, and there may even be a shortage, which would mean a decided advantage for those holding spot stock and make a higher market next year. The available stock in California is reported next to nothing. The price on dried apples advanced in the East. Peaches are showing more firmness with an increasing demand for them on account of the depletion of the apricots.

Cherry receipts were about forty boxes yesterday morning, and the price held steady between 15 and 20 cents a pound. They are of the small black variety and are not the most palatable of the varieties offered here during the season. There was a good demand for grapefruit, which is bringing \$2.50 for well-graded stock. Fancy tangerines are not very plentiful, although there is still much inferior stock obtainable.

## NOTICE TO CONTRACTORS

County of Orange, Orange County Highway Commission.

Sealed bids for the improvement of the approaches to the bridge crossing the Santa Ana river, Talbert Road, will be received by the Board of Supervisors of the County of Orange, State of California, up to 2 o'clock p. m. of the 6th day of May, 1914, at their office in Santa Ana, to be there publicly opened and read.

The work is to be done in accordance with the profiles, plans and specifications of the bridge, and the successful bidder will be required to furnish a bond in the sum of \$10,000, to be held by the Board of Supervisors of the County of Orange, State of California, made this 21st day of April, 1914.

By order of the Board of Supervisors of the County of Orange, State of California, made this 21st day of April, 1914.

W. B. WILLIAMS, County Clerk and ex-officio Clerk of the Board of Supervisors.

NOTICE TO VOTERS

The Great Register of Orange County for the year 1914, as well as every other county in the State of California, is now being compiled. All voters who expect to participate in the general election to be held in November, 1914, and in the primary election to be held in August, 1914, must register. Registration closes for the primary election on July 26, 1914, and for the general election on October 8, 1914.

W. B. WILLIAMS, County Clerk

## AT THE COURTHOUSE

MRS. TAYLOR IS  
SUING FOR A  
DIVORCEDesertion and Failure to Pro-  
vide Alleged Against  
MillionaireANSWER IS FILED  
IN DAMAGE SUITRailroad Declares Parents of  
Child to Blame for Her  
Death

A divorce action was brought today by Mrs. Minnie N. Taylor against Charles D. Taylor, millionaire.

This is the second action brought in the long drawn out litigation that has followed the separation of Taylor and his wife. Mrs. Taylor sued here for \$2500 a month maintenance, but did not ask for divorce.

Taylor sued in Oregon for divorce and got a decree. Later this decree was set aside on the ground that Mrs. Taylor was never given notice of the action.

In the maintenance action, it was alleged that Taylor deserted his property here, worth \$60,000, to Russell T. Joy, a friend, to keep his wife from getting it. A. J. Crookshank was receiver in charge of the property until recently when J. B. Mullen of Los Angeles succeeded him.

The divorce action was brought today, with Clyde Bishop and Williams

& Rutan as attorneys for Mrs. Taylor. Divorce is asked upon the grounds of desertion and failure to provide.

## Blames Parents

The Santa Fe has filed an answer in the action brought by Felipe Valles for \$20,000 damages. Valles' daughter, Catarina, aged about 2 years, was killed by a Santa Fe train near Fullerton. The answer alleges that the father or mother or both are to blame for the death of the child because they were careless in allowing the child to go upon the railroad tracks.

## Puts in Answer

An answer was put in today by the West End Garage to the complaint of H. P. Thelan, who sued for \$500 or possession of an automobile. The answer states that the machine was held for a repair bill incurred by Richard Nye, and was sold under execution, being bought by the garage. B. E. Tarver is attorney for the garage.

## Other Matters

Trinidad A. Goodwin of San Juan Capistrano has asked that he be appointed a motorcycle cop.

An order has been entered dissolving the Pacific States Auto Insurance Company.

## Under Advisement

Judge Thomas took under advisement the case of Benchley against Winbigger as administrator of the estate of John Irvin. Benchley alleges that he had a contract to buy the crop of Irvin's orchard at West Orange, but that Irvin sold it to another party. Head & Marks are attorneys for the plaintiff and Scarborough & Forgy for the defendant.

## To Quiet Title

Judgment for the plaintiff on default of the defendant has been given by Judge Thomas to Henry H. Hungerford against D. S. Stafford as administrator of the estate of Harvey Hungerford. Kendrick & Ardis of Los Angeles appeared. The action was to quiet title to ranch property.

## Divorce Matters

An interlocutory decree of divorce has been granted Isabel Smith against Herbert G. Smith. Head & Marks appeared for the woman.

A final decree of divorce has been granted Emma Herman against Henry Herman.

In the divorce action of Anna Hardy against Elmer E. Hardy, the defendant has been served with a restraining order instructing him to remain away from the home, 1102 Flower street, and not to dispose of his property.

## IN THE JUSTICE COURT

SEVEN LIGHTS  
NOT BURNINGArrests Made by Motor Cops;  
Orange Merchant is  
Arrested

Let your auto lights go burn that you will not be liable to arrest. That is a sentence well worth remembering right now, for the motorcycle officers are on the hunt for motorists and motorists who go forth at night without lights burning in accordance with law.

Last night Motorcycle Officer Ballard arrested Guy E. Goodrich, D. W. Tubbs, Alec Lacy, G. W. Willmot, Ralph Betz, Irving Hadley and Neff Morrison. The first four named appeared before Justice Cox this morning and paid a fine of \$5 each. The other will appear Monday.

Short Weight Charged  
County Sealer George McPhee has sworn to a complaint charging S. E. McPherson, and Orange merchant, with selling short weight yellow corn meal to F. E. Miles. The trial of the case is set for April 29.

Why It Suits Particular People  
—Foley's Honey and Tar Compound is prompt and effective for coughs, colds, croup, hoarseness, bronchial coughs and for any condition where the membranes of the throat and bronchial tubes are inflamed and raw. Thomas Verron, Hancock, Mich., writes: "Foley's Honey and Tar has always proven effective, quickly relieving tickling throat and stopping the cough, with no bad after-effect." It contains no opiates, and is a pure, reliable medicine. That's why it suits particular people. Wingood's Drug Store.—Advertisement.

Hill, Carden  
& Co.REGULARS WERE  
GREETED AT  
STATIONCompany L Distributes Oranges  
to 500 Troops Last  
Night

A train of eighteen cars, bearing 500 regulars of the Coast Artillery from the Presidio, San Francisco, passed through here last night en route to San Diego. A crowd of about 200 Santa Anas met the train at the Santa Fe station a few minutes before 12 o'clock. Twelve boxes of oranges, furnished by the Santa Ana Chamber of Commerce, were distributed to the troops by members of Company L.

The troops passing through here were a detachment of the 3000 regulars ordered to the southern part of California from San Francisco. The troops entrained Thursday night at 11 o'clock. There were eight trainloads in all, the remaining seven switching off at Fullerton, en route to Calexico. The troops which passed through here will be on duty at or near San Diego.

Both heavy and light artillery companies were on last night's train, two guns being carried besides other equipment, consisting of horses, wagons, ammunition, etc. Quartermasters were dealing out ammunition to the men as the train passed through here. The troops were a grim, orderly lot of men. They looked as though they meant business.

The oranges distributed were greatly appreciated by the soldiers. When the crowd which lined the station platform gave a hearty farewell cheer as the train pulled out at 12 o'clock it was returned with a will by the troops.

Captain McBride of Company L this morning received the following telegram from San Diego:

Santa Fe Depot, San Diego,  
April 25, 1914.  
National Guard Company and Citizens' Committee, Santa Ana, Cal.  
Reception of last evening greatly appreciated by battalion Coast Artillery company.  
LIEUTENANT RIEPKOHL, Adj.

## TO ALL GAS CONSUMERS

Natural Gas is now being delivered to you through our distributing system. The change from artificial to natural gas may necessitate some adjustments in your appliances. This the company will do free of charge as soon as possible. It will require considerable time to do the necessary work and ask that you exercise a liberal amount of patience until this work is completed.

Children's Diseases Very Prevalent  
Whooping cough is about everywhere. Measles and scarlet fever almost as bad. Use Foley's Honey and Tar Compound for raw, inflamed throats and coughing. Mrs. I. C. Hostler, Grand Island, Neb., says: "My three children had severe attacks of whooping cough, and a very few doses of Foley's Honey and Tar gave them great relief." Contains no opiates. Do not accept a substitute. Wingood's Drug Store.—Advertisement.

POLY SIEZED  
THIRD GAME  
SCORE 15-2

Ratcliffe's Polytechnic nine seems to have made up its mind to capture the county championship. Just to show its sincerity in the matter the team walloped Anaheim yesterday afternoon to the accompaniment of a melody whose notes read "15 to 2." It was a joyous swat fest from start to finish for the locals. Poly paraded around the bases in a romping phalanx. First one of Ratcliffe's men stepped up to bat and then another and practically without exception they hammered and clouted Messerschmidt, the Anaheim twirler, in a manner that was good to see.

Poly Paraded Around the Bases

There was Irvine, for instance. He must have felt the need of a little pleasant exercise yesterday afternoon for he demonstrated his idea of healthful physical activity by casually clouting the Anaheim mound king every time he went to bat. Irvine wasn't content with singles, either. He thought that in order to enliven the proceedings it might be well to line out a duet of three-baggers. Also a double. He faced the Mother Colony gunner five times.

And not only did the Santa Ana boys connect with the sphere in batting but they also pulled off a lot of ne plus ultra fielding. Just to show that it wasn't much of a trick that trio of ball-playing fiends, Duhart, Cannon and Carillo, successfully executed two A-1 double plays. These doubles were run off like clockwork.

Duhart pitched for Poly. Is it necessary to say more? Hardly, because "Pete's" position in the box is well nigh impregnable. Opposing teams simply can't make connections with his assortment of curves and splitters. He amused himself yesterday afternoon by striking out eleven of the Anaheimers.

Santa Ana made so many runs and in such rapid succession that it was almost impossible to keep track of the exact manner in which they were made. Most of them were due to errors on the part of the opposing team. Poly sent two men across the home plate in each of the first three innings, just to start the ball rolling. Santa Ana made two more runs each in the fifth and seventh. The two solitary scores made by Anaheim came in the sixth. In the eighth, just to show that they had been lenient with Anaheim the locals sent five men across the final bag. The whole game was a sad thing for the Anaheim team but it couldn't be helped.

Polytechnic has a rattling good chance to win the championship. The only Ethiopian in the kindling is Orange. Every time Orange is mentioned the local boys get a far-away look in their eyes. There is no doubt but that Orange has a cast-iron bunch of sluggers. However, Poly should "Ischabibble." Poly walked away with the first three games and Orange will have some job on its hands to keep the locals from doing the same to it. Orange is playing Fullerton this afternoon at Fullerton. Here's hoping that Fullerton beats Orange.

HEAVY MEAT EATERS  
HAVE SLOW KIDNEYSEat Less Meat if You Feel  
Backache or Have Bladder  
Trouble

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become over-worked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Advertisement.

Sole Agents for Santa Ana

SANTA ANAS  
IN THE RANKSRichard and John Stillwell Are  
in the United States  
Service

Mrs. Anna Stillwell of 420 East Fifth, has two sons in the regular service, one of these, Richard Stillwell, belonging to the Fifth Brigade, Second Division, U.S.A., the first unit of the American army to be sent into Mexico, the brigade embarking on four transports from Galveston last night. Richard has been an enlisted soldier for several years, and the mother and sister, Miss Dorothy Stillwell, living here, have not seen him for nearly six years. They have had three letters from him from the border since the recent war activities began. His latest letter stated his expected departure with the rest of the Third Kentucky of the Fifth Brigade.

John Stillwell is in the U. S. navy and they are momentarily expecting to hear that he has been ordered to Mexican waters.

Santa Ana people will be interested in the fortunes of these two Santa Ana boys. Their mother and sister are truly patriotic, being proud and glad to have relatives to offer in the service of their country.

## Garland Gas Ranges

Owners of Garland Gas Ranges are fortunate in having a stove that will burn the new gas just as well as the old article. The little adjustment needed can be done by yourself if necessary before the adjuster comes. Open the air ports wide, light the burner and turn the adjusting cap on the end of each cock until the flame is blue and at the proper height when the cock is wide open. Phone us if you need any special instructions. If you need a new gas range, come and see the Garland.
